Order Sept 16/88
S/26 to 27/87.

In reference to Order of Government in the
P. W. Department No 3026 W dated 10th
November 1887 sanctioning an estimate
amounting to Rupees 1520-00-00 for
fixing a corrugated iron roof over the
passage between the Hospital godowns
Nos 1 & 2 attached to this Office, "when
funds are available", I have the honor
to request that the Department of Public
Works may be moved to make funds available
as soon as possible.

2. The roofing in question is very
much needed at once as beneath it will be
placed the Boomer press the purchase of
which was sanctioned in P. G. No 3133
dated

dated 30th May 1837. The press has
arrived at Calcutta but until the
roof is finished there is no shelter
for it, and so expensive an article
ought not to be erected in the open air
without protection from the elements. I
am anxious to have it set up and
brought into use without delay in
order to save freight on bales of
clothing and bedding which are con-
stantly being despatched to Permah.
