

Memorandum.

Dated the 1st December 1887.

No. 5056

The undersigned is directed to request that orders may be issued in the Public Works Department for the preparation of plans and estimates for enlarging and altering the Government building in the Mount Road now occupied by the Director of Public Instruction as an office, so as to fit it for use as a Government Press.

2. The Superintendent, Government Press, has worked out all details as to the character of the alterations

required

P.M.C. No 9856

required and the extent of the accommodation wanted, and it is suggested that the officers charged with the preparation of the plans and estimates may be instructed to place himself in communication with Mr. Hill.
