NOTE OF REMARKS.

The accompanying estimate amounts to Rs 2420/- and provided for the improvements to the two gun sheds at the Gun Carriage Manufactory at Madras.

It is stated that the original estimate submitted for Rs 3250/- provided for "wooden partitions" all around the Gun Sheds, but the present Superintendent asks for the following alterations

- I. Partitions for S.W. side of the South section only.
- II. The S.W. side of the North section be closed, forming a passage with a light brick wall -

II That the South end of
the section be partially
enclosed by a similar
description

II A high verandah
with a corrugated iron
roof to be constructed
in extension of the
existing flat roof and
to be continued along
the entire length of
the North East side
of the Quarters -

The rates are fair -
The Estimate has
been counter-signed
by the Quarter Master
General and approved
in the Military Dept.

From the papers in this
file it is not known
whether the original Est.
for Rs 3250 has been sanctioned
or not. If sanctioned
a comparative statement
should have been sub-
mitted with the original Est.
