BOARD OF REVENUE, 9TH APRIL 1885, No. 1114.

PROCEEDINGS OF THE BOARD OF REVENUE.

READ—the following letter from W. S. FOSTER, Esq., Collector of the Godáviri District, to the Secretary to the Board of Revenue, dated Cocanada, 27th February 1885, No. 111:—

I have the honor to forward herewith the usual Compensation Statements, Nos. I and II, for the half-year ending 31st December 1884. The abstracts shown hereunder give the particulars of the statements:—

Statement No. I.

	ACS.	CTS.
Extent of land remaining to be transferred at the end of last half-year	189	88½
Extent applied for in the last half-year only, but omitted by Tanuku Tahsildar to be included in his account of that half-year	5	8
Land applied for in the half-year	347	47
	Total ...	542 43½
Land made over during the half-year	359	86
Extent of land remaining to be transferred at the close of the half-year	182	57½

2. For Acres 30.43 of the extent remaining to be transferred, compensation was settled and bills and statement sent.

3. Applications for Acres 36.51 were received only in the middle of December, the last month of the half-year.

4. The Executive Engineer, in charge of Eastern Division, Godáviri, applied for Acres 6.7 in the Rámachandrapuram Taluk for a channel, but the holders of the Inams, through which the channel was proposed to be dug, having complained that the work would not be useful, a reference was made to the Department of Public Works.

5. In a few cases in the Rámachandrapuram Taluk, a larger extent than was entered in the land application was occupied by the Department of Public Works.

6. In the Peddápúram Taluk, lands were occupied by the Executive and Local Fund Engineers before applications were sent. In three cases of Amalápúram Taluk, lands were similarly occupied by the Executive Engineer, in charge of Central Delta, owing to urgency. Some lands in Kesanakurru of Amalápúram Taluk, for which compensation has been settled and sanctioned, are reported as not required; and the Board of Revenue has lately been requested to cancel the sanction accorded in the case.

Statement No. II.

		Number of cases.	ACS.	CTS.
Pending at the end of the previous half-year	...	392	141	58½
Claims of former years which arose during the half-year.	...	226	159	70

	Total	1,425	661	14½
Claims disposed of during the half-year	...	910	447	41
Remaining to be settled	...	515	213	73½
<i>Particulars of the Balance.</i>				
(1) Parties have not appeared to take money	...	192	32	23½
(2) Compensation subsequently sanctioned	...	23	9	14
(3) Compensation has been settled and bills or statements have been sent	...	141	63	53
(4) Information is due from taluks	...	159	108	83
	Total	515	213	73½

7. The instructions given by the Board in their Proceedings, No. 9531, dated 7th October 1884, were duly attended to. Steps will be taken for the speedy adjustment of claims remaining to be disposed of.

ENCLOSURES NOS. 1 AND 2.—Compensation Statements.

RESOLUTION—dated 9th April 1885, No. 1114.

Statement No. I.—There were 542 acres and 43½ cents to be transferred, out of which Acres 359·86 were made over during the half-year. In several of these cases the Executive and the Local Fund Engineers have occupied lands before applications were made or compensation was settled. Out of the remaining 182 acres and 57½ cents, compensation has been settled and bills and statements have been sent in for Acres 30·43. The transfer of the remaining extent should be expedited, especially that of the lands applied for in the years 1881, 1882 and 1883.

Statement No. II.—The total number of cases pending was 1,425, comprising 661 acres and 14½ cents, out of which 910 cases comprising Acres 447·41 were disposed of within the half-year and 192 are pending payment. Compensation has been subsequently sanctioned in twenty-three cases, and bills have been sent in 141 cases. In the remaining 159 cases, information is said to be due from taluks. These should be disposed of without delay.

Sir,

With reference to the above I have the honor to forward herewith a letter from Delta Superintendent Venkatarao explaining the circumstances under which the land was taken up before being regularly handed over to this Department. The amount of land originally applied for proved too small, and in widening the canal the Delta Superintendent found himself with more spoil than he could dispose of without taking up more land. This must often happen as no man can possibly accurately calculate the amount of spoil in such cases, and therefore cases similar to the present will frequently crop up.

The widening of the canal & reformation of the river embankment at this

particulars

particular spot was a work which had
to be done in the interests of navigation
and to keep out the river before the
season of river floods.

I think the land required might
originally have been calculated with
more accuracy but having found
the land insufficient the Delta Surveyor
did the only thing he could do - viz
got the villagers' consent to occupy
the extra land and sent in a
statement and tracing of it - I
would draw attention to the unreasonable
time which was taken in handing
over the land.

Sir

With reference to your letter no 94 dated 26th October 1883 I have the honour to inform you as follows.

The land in Lakshmi-potaram limits was occupied by the subordinate in charge of the work, as the amount was trifling, and he had no place to put the spoil which he threw on the land with the Ryots' Consent.

As regards the land in Narikodemilli limits, it was required for closing breaches in the Vasista Godavari River bank, and the matter being one of great urgency, there was no alternative but to occupy the land.

Sir,

With reference to your No. 2032
G.D. dated 12th November 1884 (herewith

you that the Supervisor Serjeant Patton
appears to have been told by the Tahsildar, i.e.
that the land to be occupied was Govern-
ment waste.

3 When he informed me of this
I directed him to speak to the Tahsildar
and to go on with the work as I was
informed that the site for the new
Court had been settled some years
ago.

4 When signing the land state-
ment I never observed that the name
of the holder of the land had been entered.

5 I regret extremely that the
mistake has occurred. I should never
have

I known that the land was other than

BOARD OF REVENUE, 31st AUGUST 1885, No. 2520.

PROCEEDINGS OF THE BOARD OF REVENUE.

READ—the following letter from C. A. GALTON, Esq., Acting Collector of Bellary, to the Secretary to the Board of Revenue, dated 21st August 1885, No. 3019:—

I have the honor to submit herewith Compensation Statements, Nos. 1 and 2, for the half-year ending 30th June 1885.

Statement No. I.—The extent of land which remained to be transferred at the end of the previous half-year to the department which applied for it was 1 acre and 79 cents. This has been transferred during the half-year under report. No applications were received for fresh lands during the latter half-year.

Statement No. II.—There were three cases (the total extent relating to them was 25 acres and 47 cents*) pending at the end of the previous half-year. Ten cases, covering 4 acres and 22 cents, were added during the half-year under report, being claims to compensation for lands taken up. Thus, there were in all thirteen cases, covering 29 acres and 68 cents. Nine cases, covering 27 acres and 25 cents, were disposed of. As regards the still pending cases, explanation has been furnished in the column of remarks in the statement.

ENCLOSURES Nos. 1 and 2.—Compensation Statements.

RESOLUTION—dated 31st August 1885, No. 2520.

Submitted for the information of Government.

2. In the first three cases in Statement No. II, land is said to have been taken possession of before any application was made to the Revenue Department.

READ—the following Proceedings of the Board of Revenue, dated 3rd April 1886,
No. 831 :—

Read—the following letter from J. THOMSON, Esq., Acting Collector of the Godavari
District, to the Secretary to the Board of Revenue, dated Purushottapatam,
22nd February 1886, No. 84 :—

I have the honor to forward, herewith, the usual compensation statements Nos. I
and II for the half-year ending 31st December last. The abstracts given below show
the particulars of the statements :—

Statement No. I.

	ACS.	CTS.
Extent of the land remaining to be transferred at the end of the last half-year	298	3-80
Land applied for in this half-year	414	89-01
Total ...	712	92-81
Land made over during the half-year	418	7-15
Land remaining to be transferred	294	85-66

Of the extent that has yet to be transferred, applications for land to the extent of
50 acres were received only in December; compensation was settled and bills and
statements were despatched for about 50 acres, and some 50 acres are awaiting
disposal pending receipt of replies from the Engineers concerned to references made to
them.

The following is an abstract of statement No. II—

	Number of cases.	ACS.	CTS.
Pending at the end of previous half-year	780	215	64-50
Claims for land taken up during the half-year	1,076	418	7-15
Total ...	1,856	633	71-65
Claims disposed of during the half-year	1,196	391	14-90
Balance requiring disposal	660	242	56-75

Particulars of the balance.

Information due	129	84	50
Cases in which reference has been made to the District Court under the Act	10	0	57
Parties have not appeared to take the compen- sation money	171	60	79-50
Compensation has been settled and bills or state- ments have been sent	135	48	88
Compensation subsequently sanctioned	215	47	82-25
Total ...	660	242	56-75

The balance of the extent brought forward into this report is in excess of the balance shown in the previous half-year's report by 24 cents. The extent of the land originally applied for in the Skinnerapuram village (*vide* No. 13 of the Tanuku taluk) was 1 acre 4 cents., while the land taken up was 1 acre 28 cents. The land statement was consequently under some correction since its submission and the extent occupied in excess (*i.e.*, 24 cents) has been included in the balance brought forward. Hence the difference.

In all the cases in which compensation was sanctioned, but the parties have not appeared to take it, notices have been sent to the Gazette and the cases will be struck off in due course.

ENCLOSURES Nos. 1 AND 2.—Compensation Statements.

Resolution—dated 3rd April 1886, No. 831.

Statement No. I.—The extent of land remaining to be transferred at the beginning of the half-year was acres 298 cents 3.80, and acres 414 cents 89.01 were applied for during the half-year, making a total of acres 712 cents 92.81. Out of this, acres 418 cents 7.15 were made over to the departments concerned in the course of the half-year, leaving acres 294 cents 85.66 still to be transferred.

2. Statement No. II.—The total number of claims, pending and received, was 1,856, of which 1,196 were disposed of within the half-year. The necessary steps have been taken for the disposal of the rest.

3. It appears from both these statements that lands have been taken possession of before the settlement of compensation in several cases.

GOVERNMENT OF MADRAS.
 REVENUE DEPARTMENT.

READ—the following Proceedings of the Board of Revenue, dated 18th September 1886, No. 2104:—

Read—the following letter from J. THOMSON, Esq., Acting Collector of Godavari, to the Secretary to the Board of Revenue, dated Cocanada, 10th August 1886, No. 349:—

I have the honor to forward herewith the usual compensation statements Nos. I and II for the half-year ending with 30th June last. The abstracts given below show the particulars of the statements:—

Statement No. I.

	A.	C.
Extent of land remaining to be transferred at the close of the last half-year ...	294	85.66
Land applied for in this half-year ...	433	86
Land transferred during the half-year ...	728	71.66
Total ...	340	9.61
	388	62.05

Of the extent that remains to be transferred, compensation was settled and bills or statements were sent for about 110 acres and applications for about 50 acres were received only in the last month of the half-year.

The following is an abstract of No. II:—

	CASES.	A.	C.
Pending at the end of the last half-year ...	661	242	56.75
Claims for land taken up during the half-year ...	740	340	9.61
Claims disposed of during the half-year ...	1,401	582	66.36
Balance for disposal ...	504	248	85.86
Total ...	897	333	80.50

Particulars of the balance.

	CASES.	A.	C.
Information due ...	191	127	34
Parties have not come to receive the compensation money ...	226	74	38.5
Compensation has been settled and bills or statements have been sent ...	322	74	12
Compensation subsequently sanctioned ...	158	57	96
Total ...	897	333	80.5

The balance of cases shown in this statement as pending from the end of the last half-year exceeds that of the previous statement by one which was omitted to be shown in that statement against No. 4 of the Yernagudem taluk, the number of persons concerned not having been known at the time.

In almost all the cases in which compensation was sanctioned but the parties have not appeared, notices have been sent to the gazette and the cases will be struck off in due course.

ENCLOSURES Nos. 1 AND 2.—Compensation statements.

Resolution—dated 18th September 1886, No. 2104.

Statement No. I.—At the beginning of the half-year under report there were Acres 294.85 to be transferred, and Acres 433.86 more were applied for during the half-year. Of the total extent of Acres 728.71, Acres 340.9 were transferred within the half-year, and the applications for the remaining Acres 388.62 are still pending. Steps should be taken for the early disposal of applications made in 1884 and 1885.

2. This statement shows that land has been occupied by the Local Fund Department in five cases in the Peddapuram taluk, and by the Public Works Department in one case in the Rámachandrapuram taluk without application.

3. *Statement No. II.*—The number of claims pending at the end of the last half-year was 660. It is now shown as 661, but this is probably the correct figure. Adding to this 740 claims received during the half-year, the total for disposal was 1,401, of which 504 were settled in the course of the half-year. In several of the pending cases it is said that payments have not been made owing to the absence of the parties entitled to them. Notices calling on them to attend and receive payment should at once be served on them, and the cases struck off as soon as this shall have been done. The first two cases in the Yernagudem taluk should be particularly noted.

D/ 3rd December/87.
Despd 8th

Sir,

With reference to G.O.
No. 3307 W of 14th December/86, I
have the honor to inform you that
the land, one acre, said to have been
unauthorisedly occupied by this Deptt.
belongs to Someswaram village in the
Ramachandrapur Taluq. It appears
from a letter and its enclosures
received from the Godavari Eastern
Division Officer that of this, one
acre 81 Cents of land were handed
over to this Department by the village
Karnam of Someswaram under the
orders of the Ramachandrapur Tahsildar

who obtained relinquishment for the
land from its owners and that
the remaining 19 Cents were unauthorizedly
taken possession of by Delta Supt
C. Sivaswamy Iyer as the owner
of this piece of land was away at
some other place and the Tahsildar
in consequence could not obtain re-
linquishment for it and as it was required
for finishing off the extension of
Someshwaram Channel which would other-
wise have been left unfinished.

(2.) I have warned the Delta Supt.
that a repetition of such an action
will be taken into serious notice

(3.) G.O. No 1515 W. dated the 15th
June/86 was replied to in this Office
No 2182 G.O. dated 11/12/86.
