POSTMASTER GENERAL'S OFFICE,
MADRAS, 12 Decr 1887.

FROM

H. Farrer Esqre

POSTMASTER GENERAL,
MADRAS,

TO

THE — SECRETARY TO GOVERNMENT,
Public Works DEPARTMENT,
FORT ST. GEORGE.

SIR,

I have the honor to inform you that the Post Office building at Manantol is very leaky and the floor of the office and of the Sub Postmaster's residence extremely damp. At the requisition, therefore, of the Superintendent of Post Offices, Combarua Division, who had inspected the place and reported that the whole building was damp and dirty and required urgent repairs, the Executive Engineer, West Coast Division prepared an Estimate for Rs 133 and forwarded it with his No 806 dated 18 August 1887 to the Superintendent of Post Offices, who countersigned and returned it.

2.

As the Postmaster complained

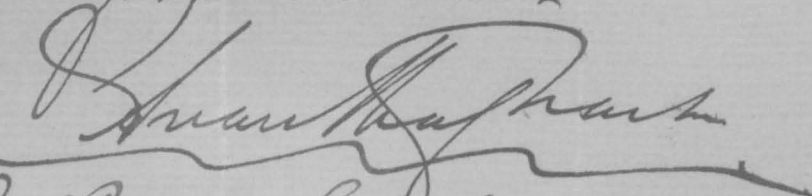

little

bitterly of the bad condition of the building,
the Superintendent of Post Offices addressed the
Executive Engineer in the hope that the execution
of the work might be expedited; but the
latter officer now states that no funds are
available for the purpose.

3. As the Postmaster and his
family are suffering great discomfort, I
have called for the above Estimate, which I
herewith submit, with a request that you will be
so good as to move the Government to pass
orders for an allotment of this small sum from
the reserve, or any unallotted or available
portion of the Repair Grant of this Presidency
for the current year. I would submit that the
case is somewhat urgent, because the climate
of the Wynaad is known to be unhealthy even
for those who are housed with a fair degree of
comfort.

I have the honor to be

Yours most ^{truly} obedient servant

J. W. Postmaster General
