Orders on an application from the
Superintending Engineer, IV Circle, for
modifications of allotments under Imperial
Military.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following paper:—

From the Superintending Engineer, IV Circle, dated 20th October 1887, No. 418 E.W.

ORDER—dated 4th November 1887, No. 2914 W., Public Works.

In the paper above recorded the Superintending Engineer, IV Circle, proposes the undermentioned surrenders and demands under Imperial Military Funds:—

<i>Surrenders.</i>				RS.
(1)	Quarters for a Barrack-Sergeant at Wellington...	...	...	500
(2)	Quarters for three Apothecaries at Wellington ...	...	...	11,000
(3)	Minor Works, Nilgiri division ...	...	...	45
(4)	Minor Works, West Coast division ...	...	...	43
Total ...				11,588

<i>Demands.</i>				RS.
(1)	New magazine for a regiment of British Infantry at Wellington.	...	...	1,225
(2)	Minor Works, Nilgiri division ...	...	...	1,875
(3)	Do. Coimbatore division ...	...	...	3,347
(4)	Do. West Coast division ...	...	...	2,988
(5)	Repairs, West Coast division ...	...	...	1,369
(6)	Do. Coimbatore division ...	...	...	1,000
(7)	Do. Nilgiri division ...	...	...	4,000
Total ...				15,804

2. Surrenders (1) and (2), or a total sum of Rs. 11,500, are resumed and held in reserve with the Government, from which source a sum of Rs. 1,225 is allotted as an addition to the existing grant for a new magazine for British Infantry at Wellington.

3. There being demands for minor works in the Nilgiri and West Coast divisions, surrenders (3) and (4) need not have been proposed. The Superintending Engineer is at liberty to utilise the money on other minor works under paragraphs 1322 (IV) and 1922 of the Public Works Code.

4. The total allotment for military minor works in the Presidency is in excess of the average outlay of the five previous years, and the additional grants under this head, asked for by the Superintending Engineer, will therefore require the sanction of the Government of India under paragraph 1931, IX, E., of the Public Works Code. The proposed transfers from original works to repairs will also require the sanction of the Government of India under paragraph 1542 (4) of the Code. The amount left in reserve with the Government will not admit of the demands being met in full, and the

following transfers are therefore sanctioned in anticipation of the approval of the Government of India which will be applied for:—

<i>From</i>	<i>RS.</i>	<i>To</i>	<i>RS.</i>
Reserve under original works	... 10,275	Repairs, West Coast division	... 1,369
		Do. Coimbatore division	... 1,000
		Do. Nilgiri division	... 4,000
		Minor Works, Nilgiri division	... 822
		Do. Coimbatore division	.. 3,084
		Total ...	<u>10,275</u>

(True Extract.)
