dated 14th November 1887.

FOR ORDERS.

Colonel J. Beatty R.E
Superintending Engineer

IV Circle applies for six months "general leave" in India under Rule XXV of the revised Furlough Regulations of 1868 which will be found on page 248 of the Civil Leave Code.

In the foot-note to this rule it is stated that

he ought first to have a Report from the Examiner who, it is said, considers the leave inadmissible & may have something to say in support of that view.

If it is found that the leave may be granted at the discretion of Govt. we shall have to consider whether it ought to be granted. At present I am inclined to think it ought not. Col. Pickens is a younger man & has no intention of retiring; his retention in Civil employ would cause much inconvenience after his recovery & return to duty & the resignation by Civil Officers of their Civil employ has been specially prohibited. Col. Beatty, on the other hand will retire as soon as the leave he asks for is over, & there is no reason, so far as I know, why he should not be relieved of his Civil duties & take his leave, if then available, as a military Officer. This however is not to do.

PPH
18 Nov

that, "a Military Officer, subject to Military rules, in Civil employ, cannot obtain leave under this Chapter, unless the Govern= =ment has previously declined to permit him to resign his civil appointment and revert to Military employment, and then only with the express sanction of the Local Government."

The Examiner P.W. Accounts who was referred to unofficially, seems to think that Colonel Beatty is not eligible for leave under Section XXV, but since Colonel Beatty's original reference, leave under the Section has been granted in the Judicial Depart= =ment to Colonel Prickance of the Jail Department, the Government having made the declaration= (G.O. Judicial No. 2610 of 16th November 1887) that "as there is no suitable Military employment for Colonel Prickance he cannot be allowed to revert to Military duty". To enable Colonel Beatty to obtain the leave

leave, a similar declaration will be necessary.

Orders are solicited as to whether such declaration can be made in Colonel Beatty's case.

With reference to the accompanying copy of a letter from Lieutenant-Colonel H. S. Court, Staff Corps, Superintendent of Police, Trichinopoly, I am directed to request you will be good enough to take the necessary steps to ascertain from the Government of India the authority under which note 3 has been added to Rule XXXIII, Furlough Regulations of 1868, as published in the supplement to the Bengal Army List, dated 5th July 1884, this office having received no intimation that officers employed in the police and others in civil employ, who have been refused permission to revert to military duty, are eligible for leave in India under chapter II of those regulations.

Heming, I raised this question, the Adjutant-General in his letter, No. 1141-O. (Army List), dated 6th November 1884, informed me "that the appendix to the Quarterly Army List in which are published the furlough rules, &c., is, as is notified in the fly-leaf of the appendix, a *non-official* supplement, and is, therefore, no authority on the matters referred to therein."

No. 220. From Colonel H. K. BURNE, Secretary to the Government of India, Military Department, to the Controller of Military Accounts ; dated Fort William, 4th January 1876, No. 21. (*Pay and Allowances.*)

I am directed to acquaint you that, a question having arisen as to the pay to be drawn during six months' special leave in India on private affairs in the case of a military officer who had previously applied to resign his civil appointment, but was not permitted to do so because no military employment was available for him, the Government of India in the Financial Department has decided that the military pay of the officer's rank shall be specially allowed in such cases, the difference between that sum and the allowance claimable under the Civil Leave Rules being paid in the Military Department.

2. It is, however, to be distinctly understood that no military officer in civil employ can obtain leave or pay under Chapter II. of the Military Furlough Rules of 1868, which applies only to officers in military employ, except in such cases as the foregoing, and then only with the express sanction of the Civil Department under which the officer is so employed.

Colonel Beatty has applied for six months "general leave" under rule XXV of the revised Furlough regulations of 1888. Our examiners think that he is not eligible for this leave. But Colonel Beatty says that Col. Pickering of the Jail dept., & Col. Counsell of the P.O. have had the leave. Will you kindly let me see the applications of the Judicial dept. officers in question to aid in our disposal of Col. Beatty's case.

15-XI-87

C.S.P.

Yes. The leave can be granted on Gen't making a declaration that they will not permit the officers concerned to go back to Military duty - Col. Pickering's case is in point. The order was passed today in Council

Perhaps Jan will not require Col. Counsell's case. 15/11

14th November/87.

My dear Hasted

I need hesitate no longer. Col. Pickance has got the "general leave" he applied for under Rule XXV of the Regulations of 1858, and he is the second officer I have heard of getting that description of leave; the other was Lt. Col. Court of the Police. But possibly you may say that my case is different, and that I cannot have leave on the same terms as Pickance and Court; i.e, full military pay & ½ staff pay.

I leave myself in your hands therefore and enclose herewith two alternative

applications, which I have marked in red ink No 1 and No 2.

If you think it useless forwarding my letter No 1. to the Adjutant General please return it to me; I shall understand that you are not prepared to back it up.

In that case I hope you will be able to let me have what privilege leave will be due me; which I suppose I can subsequently have converted into "special leave" if necessary. But at present I fully expect to return in February and my work will come to an end in ordinary course in June next.

Yours sincerely

E. Beatty.

I understand C. in Chief Col Beatty cannot have General leave under the Rule he refers to. But Col Dickens seems a similar case, in the Jail Dept. & he has got it.
