PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper—

Endorsement from the Public Works Department dated 7th November 1887, No 3911C, Transferring office note from the Examiner, Public Works accounts, dated 3rd November 1887, No 724, with reference to the case of Mr. Fernandez, an accountant in his office, as to the acceptance of a medical Certificate countersigned by the Secretary to Surgeon General instead of the Surgeon General himself.

Letter from the Surgeon General with the Government of Madras dated 24th November 1887, No 52/3.

Order:— 16 December 1887 to 1661.

The countersignature of the certificates in question involves an expression of medical opinion and is not a mere matter of office routine. The Government consider therefore that it should be done by the Surgeon General himself.
