It has been decided by you that the staff sergeants' quarters should not be commenced at present, as it has been represented to you by the Commissary of Ordnance that the new buildings in the Arsenal are most urgently required. The Executive Engineer has been authorised to collect materials for the new workshops, and to prepare plans and estimate for the work at once.

3. The sum of Rs. 1,800, placed at the disposal of the Officer Commanding Ceded Districts, in G.O., No. 1981 W., dated 25th July 1887, has been fully appropriated. The sum now asked for is to meet the urgent demands of the military authorities.

	Amount required. RS.
Repairs	6,000

4. Of the grant of Rs. 25,000 four-fifths is already expended, and operations will have to cease in a month or two if no further addition is made.
