GOVERNMENT OF MADRAS.

READ—the following papers :—

Proceedings of the Board of Revenue (Land Revenue), dated 12th September 1887, No. 547.

Read—the following letter from H. M. WINTERBOTHAM, Esq., Acting Collector of Bellary, to the Secretary to the Commissioners of Land Revenue, dated Bellary, 26th August 1887, No. 2767 :—

With reference to G.O., Educational, No. 371, dated 19th July 1887, communicated with Board's Resolution, dated the 1st instant, No. 394, I have the honor to report that in the Harpanhalli taluk at the present moment a 15-rupee Gumastahship is vacant for three months by reason of the holder having been appointed to act in a higher post. Whoever is appointed to the temporary vacancy will draw only Rs. 7-8-0 per mensem, and I simply cannot find any passed candidate willing to accept the acting appointment.

2. I respectfully beg to urge the absolute necessity of relaxing the rule in the case of short acting appointments when the acting allowances do not amount to Rs. 15.

3. The tahsildars can ill spare even one hand from their inadequate establishments, and an unpassed man who writes a good hand can be made extremely useful in fair copying.

Resolution—dated 12th September 1887, No. 547.

Submitted for the orders of Government.

2. The Board have already expressed an opinion in favor of the proposal that in short-term acting appointments in Kurnool, the examination rules should be relaxed when the acting allowances are less than Rs. 15 a month. The Government, however, did not sanction the proposal. The result is the difficulty now reported.

3. Doubtless, it is retrograde to go back on G.O., dated 28th July 1886, No. 482, but it is reported impossible to obtain the services of an educated clerk for Rs. 7-8-0, which is less than the pay of a menial servant, and there would seem to be no way out of the difficulty but to forego either the Educational test or the State saving of half salary. Of the two courses, the Board decidedly advocate the latter. The former is open to the objection that, as unpassed men can never rise to Rs. 15, they had much better not be employed at all in temporary posts. The Board suggest, therefore, that the clipping of salaries during periods of acting appointments for persons on privilege leave should not be carried below posts bearing Rs. 30, the necessary reference being made to the Government of India.

ORDER—dated 7th December 1887, No. 676, Educational.

Two questions are raised in the foregoing papers, namely —

(1) Whether unpassed candidates who held acting appointments of Rs. 15 and upwards on the 30th June 1887 should be allowed to continue to act in those appointments until qualified men can be procured.

(2) Whether in acting appointments for periods less than a month and where the acting allowances are less than Rs. 15, the provisions of G.O., dated 28th July 1886, No. 482, should not be enforced, provided passed candidates are not available.

2. After considering the foregoing papers, His Excellency the Governor in Council has resolved that the answer to both these questions shall be in the affirmative. As regards the second and more important question of the two, it appears to be necessary to make some concession in some districts. The Board of Revenue, in all its departments, will therefore be authorised to sanction exemptions from the operation of G.O., dated 28th July 1886, No. 482, in the case of acting appointments in the Ceded Districts and in Ganjam, provided that they are satisfied that the district officers have made due efforts to obtain fully-qualified candidates, and that this is impossible.

3. In reference to the first question, any unpassed candidate who on the 30th June last was acting in an appointment of Rs. 15 shall not be affected by G.O., dated 28th July 1886, No. 482, so far as that acting appointment is concerned, but shall not be eligible to be confirmed therein, nor to be reappointed to that or any other acting appointment of Rs. 15 and upwards, except as provided in paragraph 2 of these Proceedings.

4. The following endorsement will be furnished to the petitioners :—

Petitioner should apply to the Collector, to whom orders have been issued on the subject of his petition.
