Memo.

From the S. & I Circle No 1789 dt. 20.10.87

Rd.D. 18.4.87. No 375 Rev.
- 23.5.87 No 1405W, P.W.D.

Referred, with
Copies of the papers marginally
noted, to the Local and
Municipal Dept. for
favour of information
whether the construction
of the bridge can be
undertaken by the
Godavari District Board
Engineer.

2. If so, it is suggested
that the preparation
of revised plans and
estimate, based on the
grants -

The Superintending Engineer also requests that the carrying out of the work may be undertaken by the P.W.D. may be reconsidered as the work will lie within a convenient distance of the head Quarters of the Local Fund Engineer but that the riders may be made up in the Rajahmundry workshops on detail drawings being furnished by the Local Fund Engineer.

would be checked
& covered
if necessary.

Under these circumstances the Supdg: Engr: in his letter above quoted requests that the P.W.D. may not be made to carry out the design as sanctioned, but strongly recommends that a properly prepared design and Estimate should be obtained from an English bridge building firm, and further recommends that the width of the Roadway should not be less than 15' between wheel

so faulty as inaccuracies explained in the drawings that he had to communicate with the Local Fund Engr: on the subject vide letter No 668 S/20/6/87, in which it is clearly pointed out the apparent irregularities in the design and inconsistances in the Estimate. - The Local Fund Engineer in reply states that the plan, which accompanied the Estimate was a sketch intended to give only a general idea of the Structure and that in the event of its being sanctioned it was his intention to send it to a bridge building firm whose the

Current No. 8845

Letter No. 1789 G.D.

Dated the 20th October 1887

From the Supt: Engineer I Circle

NOTE OF REMARKS.

The accompanying Estimate amounting to Rs 30,850 for Constructing an iron girder bridge over the Mattlapalem Sulli Creek mentioned in G.O. No 1405 W d/ 23rd March 1887 and the Supt. Engr. has called upon to report whether Govt would be agreeable during the current Official year for Expenditure on the work.

The Supt: Engr. in reply states that the Estimate was sanctioned
