MILITARY DEPARTMENT.

11th February 1887, No. 845.

Engineers.

Read the following papers :—

No. 147. From Colonel A. CROOKSHANK, Deputy Secretary to the Government of India, Military Department, to the Adjutant-General in India; dated Simla, 8th October 1886, No. 1451-AS (Appointments—Royal Engineers).

Engineers—Appointments.

In reply to your letter No. 4200-C (Royal Engineers), dated the 17th September 1886, forwarding for consideration a communication from Captain T. Digby, R.E., asking certain questions relative to

the Royal Warrant for continuous service in India, I am directed to say that the Government of India are of opinion that as subscriptions to the Royal Engineers' Widows' Fund and Queen's Military Widows' Fund have always been optional, they should continue so.

2. With reference to the second question, whether Royal Engineer officers who elect for continuous service should continue to subscribe to the Chatham mess, I am to suggest that the question be referred by His Excellency to the Horse Guards for decision.

3. I am at the same time to suggest for His Excellency's consideration whether continuous service officers should be brought under the rules now applicable to the Indian Cadres of Royal Engineers, i.e., whether they should pay contributions and subscriptions to the mess and band only when serving at home on exchange, or while under instruction.

Memorandum from Colonel H. A. BUSHMAN, C.B., for Adjutant-General in India, to the Officiating Secretary to the Government of India, Military Department; dated Simla, 17th January 1887, No. 321-C (Royal Engineers).

Forwarded, with a copy of the letter to which it is a reply, to the Secretary to the Government of India, Military Department, for information, in continuation of Adjutant-General's letter No. 6167-C (Royal Engineers), dated 31st December 1886.

From the Deputy Adjutant-General, Royal Engineers, to His Excellency the Commander-in-Chief in India; dated War Office, S.W., 24th November 1886, No. 20-E-1503.

With reference to your letter, of the 25th ultimo, No. 4976-C, forwarding a copy of correspondence on the subject of subscriptions to be paid by officers of Royal Engineers on the Imperial List who elect for continuous Indian service, I am directed, by the Field Marshal Commanding-in-Chief, to inform you that His Royal Highness concurs in the opinion therein expressed, that no alteration should be made in the regulations at present in force regarding subscriptions to the regimental mess and band funds of the Royal Engineers.

From Major-General Sir T. D. BAKER, K.C.B., J.D.C., for Commander-in-Chief in India, to the Adjutant-General to the Forces, Horse Guards; dated Simla, 25th October 1886.

I have the honor to submit, for the consideration and orders of His Royal Highness the Field Marshal Commanding-in-Chief, a copy of a letter from Captain T. Digby, R.E., relative to the Royal Warrant for securing the continuous service in India of officers of Royal Engineers of the Imperial List, and of the reply* conveying the views of the Government of India with regard to the question asked by that officer.

* Military Department letter No. 1451-AS, dated 8th October 1886.

2. In view of the heavy pecuniary loss to the regimental mess and band funds that the extension of the system applicable to officers of the late Indian cadres to officers of the Imperial List who may elect for continuous Indian service would entail, and of the fact that the latter officers will still form a part of the Royal Corps, I am inclined to the opinion that no alteration should be made in the regulations at present in force.

No. 250-C.

Copy of the above forwarded to the Secretary to the Government of Madras, Military Department.

- (b) Will he be allowed to join the Civil Engineers' Provident Fund, if serving in a civil department, and therefore subject to civil rules.
