x Rs 12.

I have the honor to bring to your notice that Charge Allowance at the rate of Rs 20 per mensem from 8th to 25th November/86 was claimed in the salary bill of this Division for November/86 on behalf of Mr. A. J. Rozario, Clerk 3rd Class 2nd grade, for having performed the duties of the Divisional Accountant during the absence of Mr. C. A. Hutton on privilege leave and until the arrival of the new Accountant, but the Examiner P. W. Accounts, has disallowed the claim in his list No. 416 dated 17th December/86 on the score of its being inadmissible.

2. As the duties of an Accountant, when they devolve on a clerk, impose upon

upon the latter a decided increase of work and responsibilities, the claim in question was preferred though the Code does not specifically prescribe any remuneration to meet cases of this nature.

3. I request therefore you will be good enough to move the Chief Engineer for a decision on this point.

I have the honor to be,
Sir,

Your most obed^t Serv^t,

H. Taylor

Executive Engineer
West Coast Division

E.W.

Forwarded for the favor of the Chief Engineer's decision whether Mr. Rozario can be allowed the extra pay claimed for performing the duties of Accountant in addition to his own duties from 8th to 25th November 1886. It seems to the undersigned that Mr. Rozario is fairly entitled to the extra

extra allowance for work done, and that there should be some distinct ruling applicable to such cases.
