GOVERNMENT OF MADRAS.

MILITARY DEPARTMENT.

24th December 1886, No. 8006.

Quarters—Officers.

Read the following paper :—

No. 285. *From Major D. J. S. McLEOD, Deputy Quarter Master General, Madras Army, to Lieutenant-Colonel A. KENNEY-HERBERT, Secretary to Government, Military Department ; dated Ootacamund, 16th December 1886, No. 4628-A.*

In forwarding for the consideration of Government the papers marginally noted on the subject of the amount of rent payable by Surgeon Harris, A.M.D., for quarters occupied by him in Fort St. George, I have the honor, by order, to observe that the complication in the case has been mainly due to the fact that when the Surgeon-General asked that one Field Officer's quarters and two Captains' quarters in Fort St. George should be allotted to medical officers and the Commander-in-Chief sanctioned this arrangement,* the possibility was overlooked of one or both of the junior medical officers for whom the Captain's quarters were intended being of less than six years' service as Surgeon Harris is and, therefore, entitled only to Subaltern's quarters.

Letter No. 2160, dated 12th November 1886, from Surgeon-General, Her Majesty's Forces, to the Quarter Master General forwarding a letter from the Deputy Surgeon-General, Her Majesty's Forces, Eastern District, submitting an appeal from Surgeon Harris, A.M.D., with five enclosures.

* *Vide* this office memorandum No. 841-A, dated 4th March 1886.

2. Under these circumstances, I am to recommend that for the time Surgeon Harris as a junior medical officer has been required to occupy No. 2 Captain's quarters, he may be called on to pay only a Subaltern's rent.

3. It is observed that the Examiner of Public Works Accounts claims Rs. 50 per mensem as the rent for the Captain's quarters from Surgeon Harris on the ground that he is not a "Regimental" officer, who alone, he appears to consider, is entitled to pay the reduced rates of rent laid down in Para. 2203, Madras Army Regulations.†

† Para. 1433, Public Works Department Code, Madras.

4. I am, however, to say that medical officers in Fort St. George occupy exactly the same class of quarters as Regimental officers, and therefore have always been looked on as entitled to receive quarters at the same rates, a view of their position in regard to quarters which the Commander-in-Chief considers should continue to be taken.

5. As, under present arrangements, medical officers exercise choice of public quarters with Regimental officers, there is no longer any reason why Surgeon Harris should remain in the Captain's quarters in question, and the Surgeon-General has therefore been informed that, if he elects to do so, he must, in the future, pay rent for them at Captain's rates, *i.e.*, Rs. 30 per mensem.

No. 286. ORDER THEREON, 24th December 1886, No. 8006.

The Right Honorable the Governor in Council is pleased to decide that, as a special case, Surgeon Harris be charged rent at Subaltern's rates for the time he was required to occupy No. 2 Captains' quarters in Fort St. George.

2. The Government fully concur in the views expressed in para. 4 and approve of the Proceedings reported in para. 5 of the Quarter Master General's letter.
