Respected Sir,

I respectfully beg to addres
your honor on a subject which much affect
my future prospects.

I have passed the Matriculati
Examination & the Hand writing test. With
the hope of getting into Government Service,
I have applied for an appointment in the
Sank Maintenance Scheme and in June 188
was appointed as a Clerk in No. 1 Sank
Division. In August 1884 I accepted the
Financial Clerk's post in No. 15 sub Dn.,
No. II Sank Dn. in the permanent staff,
which was made a temporary one, pay being
charged to the Estimates, in 1885, where I
have served up to date to the entire satisfac
-tion of all my Superiors.

I

I took up this place in the belief that it would in a short while become permanent with the rest of the S. D. S. of which there were great hopes at the time. Now, just as I am about to close 25 years of age & I am to be thrown out of employment, I shall be debarred from entering into Government Service by the 25 year's order.

I, therefore earnestly request that your honor will be pleased to lay my case before the proper authorities & have an order passed to prevent my suffering the penalty with which my service in the department, owing to the reduction in it, now threatens me.

I beg to remain,
Respected Sir,
