| 1. Constructing Slaughter House and Hanging shed at West Hill Barracks Calicut | 1699        | 1 and 2. The G.O. Communicating sanction to these works was received in this office on the 21 <sup>st</sup> January. I was in the Wynnad and the Sub S. Officer was at Cochin. Consequently by the time he received the intimation as he reported to me it was too late to promise to complete works for which even the sites have not been decided upon. The surrender was therefore unavoidably late. |
| 2. Converting the Cook room at the West Hill Barracks into a Bakery            | 1010        |                                                                                                                                                                                                                                                                                                                                                                                                         |
| 3. Additions and alterations to the Government Bakery at Cannanore             | 658         | Intimation was received in this office from the Deputy Assistant Quarter Master General that this work was not required, on the 24 January. This sum was not then surrendered because funds had                                                                                                                                                                                                         |

had not been given for the Sergeant Instructor's quarters at Calicut which work had been carried out, and this sum was reserved to meet charges on it, and the transfer would have been suggested but for the specific allotment of Rs 960 in G.O. No 338 W dated 7<sup>th</sup> February 1887.

Imperial Mili. Camp Repair

Lump sum grant 4000

This surrender becomes necessary on account of the withdrawal of troops from Cannanore rendering the repairs of many buildings unnecessary. Also it was thought advisable to retain a balance in reserve for unforeseen requirements.
