SUPERINTENDING ENGINEER'S OFFICE,

Chennai, 20th December 1886.

From

THE SUPERINTENDING ENGINEER,

V CIRCLE,

To

THE

Chief Engineer
P.W. Department.

SIR,

Enclosures.

With reference to your
Statement Memo No 2879 dated 23rd
August 1886, I have the honor to
submit for sanction a statement
showing temporary establishment
of Main Drain required for super-
vision of petty works from November
1886 to February 1887 of the current
official year in the Presidency
Division.

The works are so numerous
and small in this Division that
it is impossible to conform to
para 935 P.W. Code as interpreted
by the

by the Engineer i.e., not to employ
any one but by or more than one
incomplete work in any one matter.

I have the honor to be

Sir,

Your most Obedt. Servt.

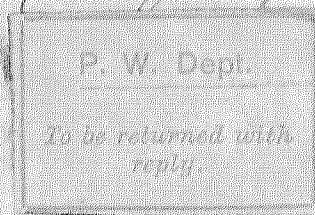

W H Weston Esq.

Superintending Engineer
5th Circle.

No. 81C of 11th Jan'y 1887.

To S.E.V

Are all the maistries included in the statement now actually employed, and charged to works?

If not, please revise the statement so as to provide only for such men whose pay it is absolutely necessary to transfer from works to establishment under case para 935.

Arrangements must be made to avoid this extra charge to Establishment in 1887-88 for next year it will probably be impossible to make any provision for temporary establishment.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Under date the 5 March 87
Read the following

From the Supty. Engineer 5 Circle. H. E. No. 4758 of 20 December 1886.
Do Do H. E. No. 5317 of 28 January 1887.
Office note from the Examiner, P. W. Accounts. H. E. No. 746 of 14 February 1887.

The statement of petty maistries
employed in the Presidency Division for
the four months from November 1886 to
February 1887 is sanctioned.

2. This sanction has been registered
as Provincial No. 57 W of 1886-87, and
classified as Establishment, Temporary.

3. The Govt. of India will be
addressed on the subject of para 7 of the
Supty. Engineer's letter of the 28 January

H. E. No. 680 W of 5 March 87

To
The Supty. Engr. 5 Circle
Examiner of P. W. Accts with
statement.

To
The Secy to the Govt. of India
P. W. Department.

I am directed to suggest, for the
consideration

consideration of the Govt. of India, that the following words be added to clause 11) para 15, chapter IX of the Govt. of India P. W. Code.

* para 935 of the Madras P. W. Code.

"or group of works at a station in charge of any one member of the upper subordinate establishment."

2. At many stations in this Presidency, notably at the Presidency Town, there are a number of small scattered works, for the petty supervision of which maistries are engaged on low rates of pay, and when the employment of these men does not fall under the provisions of the code rule above quoted, their pay is charged to the head temporary establishment. The restricted grant placed at the disposal of this Department for establishment in 1887-88 will however render it impracticable to divert any sum for the employment of temporary establishment of any description, and if the code rule be not amended as suggested, it will be impossible to provide maistries for the supervision of petty works without undue waste of money.

3. Extract from a letter No. 5317 dated 28th January 1887 from the Supty. Engineer I Circle, explaining the difficulties which will be experienced in carrying

carrying on work of maistries as provided, is forwarded herewith for information
