To

The Secretary to the
Government of India
P. W. D.

Sir,

In forwarding a
petition to your address from
Barra Vinatasaani, late
lock lascar, I am directed
to state that the Executive
Engineer under whom the
man served, reported that
the lascar together with two
others had been extremely
insubordinate and the public
service had suffered from
their neglect of duties. The
men were several times fined
and warned but as no
improvement resulted they
were dismissed as incorrigible
offenders.

2. The Chief Engineer,
having inquired into the
circumstances of the case,

saw no reason to interfere
with the action of the local
officers, and the Government
subsequently declined to
interfere with the Chief
Engineer's decision.

3. I am to add
that the Government have
no recommendation
to make on ^{the} petitioner's
behalf.
