

No. 2359

Bellary Chopal, 3 March 1887.

From

Col A. M. Libart R.E.
THE SUPERINTENDING ENGINEER,3rd 1st CIRCLE,

To

THE Chief Engineer
P. D. D.

Sir,

Madras

Enclosures.

With reference to para 2 of G.O. No. 24 D dated 7th January/87, I have the honor to report that the under-mentioned Petty Establishment whose pay has hitherto been debited to the head "Establishment" can I think be legitimately charged to "Dorks".

Bellary Division
Sourabudra Channel Superintendents

1 Channel Superintendent	Rs. A-P
1 ————— do —————	30-0-0
1 ————— do —————	25-0-0
1 ————— do —————	20-0-0
2 ————— do ————— at each	15-0-0

This pay is at present debited to "Temporary Establishment" under the sanction conveyed in G.O. No. 2396 D dated 21st September/86.

Bellary Cantonment Maistries

1 Maistry _____ Rs 25-0-0
 1 do _____ " 15-0-0
 1 do _____ " 20-0-0

Debited to Establishment vide G.O. No. 1619 D dated 25th June /86.

Kurnool Canal

7 Lock Superintendents at Rs 12-0-0
 15 do _____ at " 10-0-0
 20 do _____ at " 8-0-0

Pay of the above Establishment is being debited to the Canal "Maintenance and Repairs" vide G.O. No. 47 D dated 7th January /87.

2. The services of the channel and Cantonment Establishments have been dispensed with under the recent orders; but as they will have to be kept up for the maintenance of the channels and the supervision of repairs to Military Buildings, their pay is proposed to be charged to the repair grant concerned.

3. In my opinion para 985 rule (1) which insists on the employment of a person whose pay is charged to "works" or one work only needs amendment. This condition it seems to me cannot

always be fulfilled without entailing unnecessarily extra expense on Government, as simply to conform to the rule two men will have to be employed in cases where one would be enough.

4. I cannot see the force of the objection with regard to the employment of a channel Superintendent to look after one or more channels or similarly a Cantonment Maistry one or more Military Buildings when their pay is charged to the repair grants. The objection would seem to be valid only to the employment of this class of men on works appertaining to other Heads of Service than that to which they belong.

I have the honor to be
 Sir

Your most obedient servant

W. H. P. C. R.

Supt. Engineer
