Enclosure.
1. Statement.

Sir,

With reference to G.O. No 569 W
of 25th Ultimo, I have the honor to
report that in consequence of the
whole of the Establishment, except
permanent sub Overseer Dorasamm
mudaliar, including Overseer, subover-
seers, Clerks and Lascars hitherto
entertained as Temporary Establish-
ment on the Calicut Vayitri and
Vayitri-Gudalur Roads having
been thrown out of employ by the
instructions contained in your
Memo

Memo No 91C of 12th January 1887,
I have prepared a statement showing
the Establishment as it existed,
and what is now proposed to be
charged to the Estimates of works
in progress.

2. You are aware that under
the Subdivisional Officer at Vayitri ^{* vide G.O.}
the works at present in progress ^{NR 1282 W of}
are:— ^{3rd June/85}

- I. The Calicut Vayitri Road
- II. Sholary Bridge on the Vayitri
Gudalur line; and two
works are likely to be sanc-
tioned for execution immedi-
ately

- I. New Post Office at Kacpathi ^{* vide G.O. No}
^{3360 W of 20th}
^{Decr/86.}
- II. Improvements of the Vayitri ^{Item 126, part}
Gudalur Road ^{I, Class B Works}
^{Provincial}

while others such as the new
Post Office at Meppadi and the
Taluk Cutcherry at Manantoddy
are in prospect.

3. My statement shows in
the

the column of remarks the items
which I consider should properly
be charged to individual works, and
those which must be charged pro-
portionately to two or more works
4. The items requiring special
sanction are,

I. The Superintendent's pay
as it exceeds Rs: 100.

II. The Sub Divisional Officer's
Establishment of two writers and
four lascars. The two writers
are required as one or other may
be incapacitated for work for
days by fever, and the high rate
of pay is necessary to secure
the services of qualified men
in that locality. Para 935 ap-
parently applies only to one work,
so that a special sanction is
needed for charging the pay
of the Sub Divisional Officer Estab-
lishment proportionately to more
than one work.

5. Pending

5. Pending special sanction, I am unable to re-employ either the Superintendent or the members of the Sub-Divisional Office Establishment. I have therefore to request the favor of very early orders, as office work in the Sub-Division is temporarily suspended.

6. For a subdivision in the Plains a Sub-Divisional Officer would be allowed.

1 Clerk on 20 to 30 Rupees & 4 messengers or lascars on 6 Rupees.

But 2 Clerks are indispensable at Vayidri, and qualified men cannot be obtained at Vayidri at the rates usual in the plains.

7. The Establishment now proposed is what is considered absolutely necessary for the satisfactory prosecution of the works. ^{+vide state ment accompanying}

Sir,

In continuation of my
letter No 99 of yesterday's date,
I have the honor to report that
the work of the Calicut Vayitric
Road is making good progress.
The expenditure is now about
Rupees 12,000 monthly and it is
expected the year's allotment
will be fully spent. The
first of the iron girder bridges,
2 vents of 50 feet span - will
it is expected be finished
early in April. The season,
however

C. No 1775

however is reported to be
"dreadfully unhealthy" and
there "are any number of Cooks
down with fever". The sub-
Divisional officer is quite well
so far, but one of the Contractors
Mr. Mackenzie is ill.

Under the circumstances
a somewhat high outlay on
Establishment appears reason-
able and necessary.

fructified under
para 935 of the P.W.

2. The employment of the remaining estate named is within the Supply & Supply power, but the proposal to charge the pay of the

clerk & lascar proportionately to all works in progress in the rule division is inadmissible under existing rules. The Govt. of India have been addressed on the subject of the employment of works establishment on collective groups of works, - but pending receipt of a reply, the whole of the establishment mentioned in the Supply Officer's Statement should be charged to the estimate for the Calcutta-Vagaitri Road.
