OFFICE OF THE SUPERINTENDING ENGINEER,

6TH CIRCLE.

Tuticorin dt. 12 February 1887.

No. 1850 T.J

From J. W. Mc Arthur Esquire

The Superintending Engineer,

6th Circle.

To

The Chief Engineer

P.W.D.

Sir,

ENCLOSURE. 2.

1. Detailed Statement

1. abstract Statement.

With reference to your Memorandum No 91 C dated 12 Ultimo, and to your telegram under date the 8 Instant, I have the honor to submit herewith a statement showing the existing arrangement, and the proposed re-distribution of the permanent establishment in the Circle.

2. In your memorandum No 495 dated the 9 Instant, it is mentioned that "the Superintending Engineer must arrange to have the accounts "works of the Vaigai Bridge done "in the Division office, or to draft

the

"requisite establishment to the works
"from the permanent staff of the
"circle." The office establishment
employed at the bridge now consists of—

1. Draftsman
2- clerks—
5- Lascars—

There cannot be much work for a
Draftsman, and, therefore, I think
a Draftsman is not wanted—
Regarding clerks I propose to put
the store-keeper attached to the
Pachimoppy Divisional office, under
Executive Engineer, Mr. Clerk, and
to entrust the stores &c to the charge
of the Hd clerk of that office, until
such time as the services of a
clerk are available for transfer
to the Vaigai Bridge works; and to
employ another man as a temporary
clerk and charge his pay to the works.
The store-keeper has recently passed
the Account test, and is now* employed as a temporary

&c—

*from 28 January

Accountant in the Examiner's
office, at Madras. On his return
to his substantive appointment
in the beginning of March,
he will be sent to Madura—
As regards Lascars the only pro-
posal I can make is to employ
temporary men & charge their pay
to the works.

3. As there is no officer, at
present, available, in the circle,
for transfer to the Ramnad Division
to take the place of Mr. Harrington,
and as I am unable to draft
the requisite office establishment
to the Ramnad Dn from the
permanent staff of the circle,
I request that you will be good
enough to post an officer, & the
requisite office establishment,
if available, from other circles.

Pending the receipt of your orders
I have directed 2d Grade Supervisor
P. Murugasam Pillai, now em-
ployed in the Rammad Dn, to be
prepared to relieve Mr. Harrington
at the end of the current month.
Please wire instructions about
Rammad Division.

I have the honor to be
Sir
Your most obedient servant
