Sir,

Replying to your No. 42 of the
18th Instant, we have the honor to
explain the difference in charges for
safes.

The prices you mention were
our contract on the original ap-
proved pattern, but after making a
few, an alteration in the rivetting
was directed by the Board and the
additional charge incurred was al-
lowed in a lump sum at the conclusion
of the contract number.

3 The prices now quoted include
the alteration, and we regret will not
bear reduction.

We have &c &c
