

8TH SEPTEMBER 1886, No. 2255 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following letter from Lieutenant-Colonel J. PENNYCUICK, R.E., Superintending Engineer, VI Circle, to the Chief Engineer for Irrigation, dated Kodaikanal, 8th August 1886, No. 53 C.V.—Through the Examiner, Public Works Accounts :—

I have the honor to submit, for the sanction of Government, two statements of proposition, one for temporary conservancy establishment employed during June and July, and another for permanent establishment from August 1886 for the Cauvery regulators.

2. The proposed establishment is in accordance with the decision arrived at in personal consultation during your recent visit to the Grand anicut. The pay of the superintendent is fixed, for the present, at Rs. 75, but it ought to be understood that it will be raised from time to time as the holder gains experience. It is most important that sufficient inducement should be offered for a really good man to remain permanently in a post of this kind, as his value increases with every day's experience.

3. I would recommend that, as soon as the present temporary division is broken up, the Grand anicut and works connected therewith be formed into a permanent sub-division of the Tanjore division. For the charge of this division, I know no one more suitable than Sub-Engineer T. Subrahmanya Pillai, who has been employed on the new regulators throughout their construction. I have already recommended T. Subrahmanya Pillai to the Chief Engineer, Public Works Department, for appointment as Honorary Assistant Engineer, and now beg to repeat this recommendation.

ENCLOSURES.

STATEMENT of proposition for temporary conservancy establishment required for the Cauvery and Vennar Regulators division for 1886-87.

20th August 1886.

(Signed) J. P. DAVIDSON,
for Chief Engineer for Irrigation.

ORDER—dated 8th September 1886, No. 2255 W., Public Works.

The statements of temporary establishments for June and July 1886, and of permanent establishment from August 1886,

* Register No. 37 W. of 1886-87. required for the Cauvery and Vennár Regulators, are sanctioned.* The cost of the former will be charged to the budget grant for temporary establishment and that of the latter will be met from savings in the grant for permanent establishment.

2. The Superintending Engineer's recommendation with respect to forming the Grand anicut and connected works into a sub-division of the Tanjore division is sanctioned. The question of conferring the honorary rank of Assistant Engineer on Sub-Engineer T. Subrahmanya Pillai will be dealt with separately.

OFFICE OF THE SUPERINTENDING ENGINEER,

6TH CIRCLE.

No. 2019 T.T.

Trichinopoly 3rd January 1887.
18/11

From *J. W. Martin Esq.*
~~The~~ *Deputy* Superintending Engineer,
In Ch: 6th Circle.

To

The *Chief Engineer*

Sir,

In G.O. No. 2255 W. dated 8th

September 1886 on Establishment as follows.

- 1. Superintendent — Rs. 75 per month.
- 1. Asst. Supdt. — " 25 — do —
- 3. Lascars at Rs. 8 each — 24 — Rs. —
- 10. — Rs. — at — 7 — 70 — Rs. —
- 10. — Rs. — at — 6 — 60 — Rs. —
- 12. — Rs. — at — 5 — 60 — Rs. —
- 1. Sweeper — 5 — Rs. —

was sanctioned for the Cauvery and Vennar Regulators. But the Executive Engineer Tanjore Division reports that, owing to promotions & transfe.

of Lascars from different Head works
to the Regulators, it was found ne-
cessary to employ, for some time, acting
men on Rs 5 monthly until the
permanent incumbents joined with
the result that sixteen men on
Rs 5, the lowest pay sanctioned,
were employed for a portion of
October but the total amount
sanctioned for the establishment
was not exceeded. The Examiner
however declines to pass, without
the sanction of Government, the
salary of more than twelve men
on Rs 5, each because this is the
number sanctioned on this rate
of

pay. As the Leather Engineers' ar-
-rangement was the best possible,
I have the honor to request that
the Examiner may be authorized
to pass Rs 15-2-9 the amount
disallowed.

I have the honor to be
