Copy of letter from the General Superintendent P.W. Workshops to the Examiner P.W. Accounts Madras No 2108 W dated 1st December 1886.

With reference to your letter No 372 dated 23rd November 1886 I have the honor to enquire why the Workshop is made to meet the charges on account of instructions given by the Madras Railway Company for training of Native Foreman Mechanics as the Workshop is not in any way benefitted by such instructions.

General Record 2. In para 6 of G.O. No 446 W dated 23rd November 1878 Government say that premiums paid to the Foreman for training the apprentices is all that they would bear and again in G.O. No 3051 W dated 26 October 1883, it is laid down that Rs 100/- be disbursed for each lad on completion of the full course and charged against the P.W.D.

3 Under the above circumstances, and
as such items will be recurring, I beg
to enquire if these payments are a
legitimate charge against the Workshops.
If necessary I request you will refer
the matter for orders of Government.

Copy of Letter from the Examiner
of Dr. Accounts Madras to the General
Superintendent of Dr. Workshops Madras.
No. 418 SK 5th dated 14 December 1886.

With reference to your letter No. 2108 Dr.
dated the 1st Instant. I have the
honor to request that you will be
good enough to state why the charge of
Rs. 300 may not be fairly debited to
"General charges" of the Workshops
which I think would be preferable to
charging "Establishment"

dated 16th December 1886.

With reference to your letter No 418 S.E.
dated the 14th December 1886, I have the
honor to state that my contention is not
as to what Head of Accounts Rupees 300
is to be charged; but whether the item
is properly debitable to the Workshop
under the circumstances explained
in my letter No 2108 W dated the 15th
December 1886. I beg to state that it is
all the same whether the amount is
charged to "Establishment" or "General
Charges".

To D.W. For orders. - No 156 W of 22 Decr 86.
When the apprentices

were transferred from
the workshops to the
Madras Railway, the
workshops doubtless
understood that
they had done with
the boys for good.

The Examiner however
considers now that
the workshops should
bear the cost of the
premium to be paid
to the Railway Co.

The difficulty is
that the charge must
be debited to some
division or other -

If it be considered
inevitable to make

The apprentices in
question having ceased
their connection with
the P. W. Workshops on
their transfer to the
Railway Locomotive
dept, it is considered
that the sum of Rs 300
to be paid on their
account to the Madras
Railway Co. should be
charged to general estab.
The amount will be
disbursed by, & debited
adjusted in the Presy.
division.
