READ—the following letter from H. R. GRIMES, Esq., Inspector-General of Jails, to the Chief Secretary to Government, dated Madras, 23rd November 1886, No. 336:—

I have the honor to submit, for the sanction of Government, the enclosed supplemental estimate for Rs. 1,000 for the drainage scheme of the central jail at Trichinopoly.

2. The original estimate for Rs. 890 was sanctioned by Government in their Order, No. 682, dated 17th March 1886, but on being carried out by convict labor, it was ascertained that two additional masonry gauges and seven more culverts across the main drains are unavoidably necessary.

3. As I have no funds at my disposal, and as there has been a large saving on the close prison at Coimbatore, I would suggest that Rs. 1,000 may be allotted from it to complete the drainage scheme at Trichinopoly.

4. The Superintending Engineer's report, No. 406 T.C., dated 10th November 1886, is also forwarded.

The estimate is approved and transferred accordingly.
