Sir

I have the honor to inform you that
the Kistna Western Delta Canals were
closed on the morning of the 4th Instant.

2. On the 5th evening, a Subadar Major,
in charge of a party of about 100 sepoys, with
their families, belonging to the 9th M. I. Regt.,
enroute to Madras from Samul-cottah, came to
me, and requested that the Western Delta Canals
might be reopened, so that they might pass
down by boat. Considering the inconvenience
that would be occasioned to the party having
to march from Bezvada to Pedaganjam,
through a district in which there is unfortunately
a good deal of Cholera, and with no Hos-
pital Assistant, I had the Canals reopened.

for their convenience.

3. The Officer who despatched this party must have been aware that the Krishna Canals were ordered to be closed on the 1st March and should, I consider, have made his arrangements accordingly. In the event, however, of any unavoidable delay in getting off the boats from Samuelcottah, the least he could have done, would have been to telegraph to me asking what arrangements could be made, regarding passing down the boats after the authorized date of closing the Canals.

I have the honor to be
