GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following letter from D. C. GORDON, Esq., Examiner of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 31st March 1885, No. 141 W. :—

With reference to G.O. No. 736 W., dated 24th March 1885, I have the honor to request that I may be favored with the views of Government in regard to the procedure to be adopted when buildings are hired for the use of the Military Department.

2. It has been the practice hitherto to communicate sanction for the hire of private buildings to this office, in the form herewith enclosed (which please return), but I doubt whether this need be done in future, or whether any sanction of Government to the hiring of private buildings is necessary except in extraordinary or ultra-routine cases.

3. Under code paragraph 1221, Executive Engineers are prohibited from paying for hired premises unless under sanction of Government except in cases of buildings required for military purposes. Under code paragraph 1396 A. *et seq.*, the department is not only authorised, but required, to hire accommodation when necessary, and though the paragraph states that this is to be done "under the orders of Government" and with "previous sanction," I doubt whether such order or sanction is intended to be given in all ordinary and routine cases. Outside of the buildings which come under paragraphs 1419 and 1420, accommodation required from this department is laid down in paragraph 1463, and inasmuch as it is so laid down, it seems to me superfluous to require any further order or sanction for its provision, even by hire of private buildings.

4. If accommodation *must* be furnished, this department cannot well be limited as to the rent payable for private buildings, though it would obviously endeavour to pay no more than the compensation scale.

5. Under the orders communicated with G.O. No. 736 in question, no accommodation can now be engaged by the Military Department. Forms of notice, such as that enclosed, may perhaps be necessary for the Executive Engineers concerned, as a warrant for the rank of person for whom accommodation is required, but not for this office, which would audit the rent or the compensation with reference to the eligibility of the person to quarters, the Executive Engineer being responsible for the provision of quarters.

6. The points on which I request information are—

(1) Whether any special order of Government is necessary to the hiring of accommodation, when a general order is laid down stating the accommodation that this department is required to provide, and the ranks to be accommodated.

(2) Whether in cases in which the rent to be paid by the department exceeds the amount of rent (or compensation) fixed for rank sanction of Government is to be obtained previous to the quarters being hired.

(3) If sanction is necessary in either or both of the above, whether such sanction is to be given in the Military Department or in the Public Works Department.

Recorded with reference to G.O. No. 517. W. dated 22 February 87.

Read the following :—

No. 12. *Extract of a letter from the Government of India, to the Secretary of State for India ; dated Fort William, 15th December* 1885, *No.* 189.

Para. 3. Correspondence regarding the authority of courts of law to order the attachment of a soldier's pay.

From Adjutant-General in India, No. 192-A., dated 30th January 1885, and enclosures.
Military Department No. 380-C., dated 12th March 1885.
From Solicitor to Government, No. 382, dated 26th March 1885.
Military Department No. 49-S.C., dated 9th April 1885.
From Adjutant-General in India, No. 2890-D., dated 11th September 1885, and enclosures.
Military Department No. 1177-C., dated 25th September 1885.
From Solicitor to Government, No. 1240, dated 6th October 1885, and enclosure.

The points on which we desire the decision of Her Majesty's Government are—

(1) What constitutes the "pay" mentioned in proviso 1, sub-section 5, section 144 of the Army Act of 1881 ; and

(2) Whether any staff pay coming to a soldier in addition to the pay of his rank can or cannot be attached by a civil court.

Should it be considered that it is not exempt from attachment, then it seems only proper that the same principle should be extended to consolidated pay ; and it might be ruled that the staff salary in such cases will be the balance left after deducting from the consolidated pay the pay of rank, ration money, and horse or other allowance given for a specific purpose, the withdrawal of which would affect the soldier's capability of performing his duties.

Extract of a military letter from the Right Honorable the Secretary of State for India, to the Government of India ; dated India Office, London, 8th April 1886, No. 87.

Para. 3. The correspondence transmitted by you relative to the authority of courts of law to order the attachment of a soldier's pay, has been submitted for the opinion of the Secretary of State for War. From the letter from the War Office forwarded herewith (dated 26th January 1886) you will perceive that the Secretary of State for War has been advised that the expression "pay" in the first proviso of sub-section 5 of section 144 of the Army Act of 1881 covers all military emoluments whatsoever, and that therefore staff pay coming to a soldier in addition to the pay of his rank is, equally with such pay, within the protection accorded by the portion of the Army Act quoted.

From H. T. DELABERE, Esq., Deputy Accountant-General, War Office, to the Under Secretary of State for India ; dated War Office, 26th January 1886, No. 30—2880-S.W.

I am directed, by the Secretary of State for War, to acknowledge the receipt of your letter of 12th instant, No. 134-M., and to acquaint you in reply that, in reference to the extract of a letter from the Government of India, No. 189, dated 15th December 1885, therein enclosed, that he is advised that the expression "pay" in the first proviso of sub-section 5 of section 144 of the Army Act of 1881 covers all military emoluments whatsoever, and that therefore staff pay coming to a soldier in addition to the pay of his rank is, equally with such ordinary pay, within the protection accorded by the portion of the Army Act quoted.

Please see item 3 in accompanying O. I. statement.

The side was constructed, & has hitherto been maintained by the P. W. Dept from Provincial Funds, but the Dept now expresses an opinion that the charge appears to appertain to the Municipality — is a question whether the Municipality will consent to have this extra charge imposed on them, under a grant-in-aid, equal to only average cost of maintenance be given them. The maintenance of the raised walls & the dwarf wall might with equal reason be transferred to the
