Referring to your No. 2012 W., of 15th August 1884, forwarding, for information, a copy of the orders issued by the Government of Madras, regarding rent to be charged for Government buildings occupied by public servants, I am directed to point out that no limit of rent can be fixed, even in cases of hardship, without the assent of the Government of India, and to observe that your letter quoted above does not give the information asked for by the Government of India letter, No. 481 G., of 25th April 1884.

To

The SECRETARY to the GOVERNMENT of INDIA,
Public Works Department.

Sir,

I am directed to acknowledge the receipt of your letter, No. 1108 G., dated 18th September 1884, pointing out, with advertence to this office No. 2012 W., dated 15th August 1884, that no limit of rent can be fixed, even in cases of hardship, without the assent of the Government of India, and observing that the information asked for by the Government of India letter, No. 481 G., of the 25th April 1884, had not been supplied.

2. In reply, I am directed to state that no limit of rent was fixed in the Proceedings of this Government, No. 2011 W., dated 15th August 1884. On receipt of your letter, No. 481 G., dated 25th April 1884, inquiries were made as to whether any case of hardship, in consequence of the absence of a 10 per cent. limit, could be quoted; but the officers consulted, though unable to cite any case as actually existing, were agreed that such might easily occur under the rules in force. This Government thereupon resolved to pursue no further the proposal to fix a specific limit of rent, and merely expressed the opinion that officers should not be called upon to pay as rent for Government buildings a sum exceeding 10 per cent. of their salary. I am to add that, should any case in which this limit is exceeded be reported for special consideration, no orders will be passed thereon by this Government without reference to the Government of India.

I have the honor to be,
Sir,
Your most obedient servant,
