Most Respected Sir,

3 In the Reorganization of the Department in 1880, my post was converted into Clerk V Class 1st Grade, like all other Overseers Writers in the Department.

4. I have been doing duty as above, in the Eastern Division Kistna, under the Upper Subordinate of the Gudivada Taluq & was also drawing my annual increments, on rendering the usual approved service like other men of my grade.

5. In 1883, the formation of Temporary Division for Gudivada Works, was ordered by Government, and the Gudivada Taluq was separated from Eastern Division Kistna, under a special name of "Gudivada Division". The Upper Subordinates & their Writers, then existing in the Gudivada Taluq were supplemented and the number augmented to complete the strength of the Division, as the then existing Clerk of Gudivada Division Kistna in Gudivada Taluq. I was brought on to the Office Establishment of the newly formed Division, as no orders were given for my transfer to the permanent Division.

6. It was however, at this time, that a doubt was entertained by me & others under similar circumstances, whether our services whilst in the Temporary Division, would continue to count towards pension. But this doubt was soon removed by Government in their Order No 491 W of 14-2-83, in which the benevolent Government were pleased to state to our justice that.

"The Clerks in question will be regarded as detached for temporary duty with a lien on some permanent appointment in the Circle. Should no vacancies at present exist, this lien will fall on the Office of the Superintending Engineer. The Clerks must however be absorbed immediately on the occurrence of vacancies." × × ×

7. Accordingly at the recommendation of my Divisional Officers my 3rd annual increment was sanctioned by J W Rundall Esqre. Superintending Engineer in December 1884. On claiming the increment the Examiner Public Works Accounts disallowed it in his Disallowance List No 458, pending settlement of the case by Chief Engineer.

8 Honored Sir, — Being anxious of my own prospects I humbly presented petition to Superintending Engineer thro my Divisional Officer, as per correspondence noted in the margin.

9. In August 1886, Major Clark then the Superintending Engineer communicated to Dl Officer the Examiner's letter No 127 Sd Dd. of 26th July 1886, in which it is stated that "as there is no vacancy in the Circle against which the Clerk should be permitted

to retain lien, he should be considered as temporary and as such, no increment will be admissible"-

10- It was upon this letter that my present Divisional Officer W. C. deMorgan Esquire brought my case to your honor's notice and received replies as specified in the margin in the last of which it was said that the question as to the eligibility of the service rendered by me in a Temporary Division, will be referred for orders when submitting my pension papers as per Pension Code-

11- Honored Sir, What will be my state in my old age & debility, if I were unfortunately told that I lost all claims on the past service so zealously rendered by me & it will not in the end count towards pension, when there is nothing wrong on my part to have to render my service in Gudivada Project Division & when the arrangement to provide me a lien entirely rested with my appointing Officers-

12- Now the Circular that all temporary employees should be warned that their services will be dispensed with from 1st March/87 has also been served on me & my case is therefore at great risk & the livelihood of mine that rendered 21 years' Service to Government without any blot, on both permanent & Temporary Establishments exposed to hazard - The young hands that have been appointed as Clerks &c class 1st grade in other Divisions on the permanent Establishment long after me & even after the formation of Gudivada Division have thus become more fortunate than this humble poor petitioner-

13- I humbly represented to your honor in person, when at Gudivada, the foregoing circumstances of my case with the sanction of my Dt. Officer, & your honor was kind enough to promise to consider specially of my case on submission of a petition clearly explaining the facts-

14- Under these circumstances I most respectfully beg the favor of your considering my petition & arranging to provide me with a lien on permanent appointment of Clerk &c class 1st grade in the present redistribution of Establishment or if this is not feasible submit this application to the Chief Engineer for his favorable consideration with your honors warm support so that Government may pass orders to consider me on the permanent Office Establishment as a special case -

Memorandum

Sir

I have the honor to forward herewith for your kind consideration, and submission to Government, for favor of orders, a petition presented by one Deedwan Lakshmikantha row, Clerk in the Gudwada Division.

2. The particulars of this man's case, are fully explained in the enclosed petition. In my opinion, his contention under G. O. No. 491 W. of the 14th February 1883, he should be considered to have a lien on the Office of the Superintending Engineer till a vacancy occurs, deserves consideration.

3. There is also another clerk of the V th class 1st Grade in the above Division similarly circumstanced. His name is Pokkunuri Venkanna.

4. As these permanent clerks were doing duty in the Gudivada Division in the belief that they will be considered to have a lien on some posts in the circle and as they had not been absorbed into the permanent Establishment for want of vacancies, I request you will be good enough to consider their cases under Section 75 of the Civil Pension Code and obtain the sanction of Government as a special case for their being considered to have a lien on the Office of the Superintending Engineer till vacancies occur, and for their services in the Gudivada Division being counted as pensionable.

When the Gudivada Sub-Division was formed into a temporary Division the clerks referred to were thrown out of employ retaining no lien on any sanctioned permanent appointment. Now that it has been reconstituted a permanent Sub-Division of the Kistna Eastern Division, they may be brought back as permanent clerks of that Sub-Division, if vacancies exist in preference to men on the permanent Establishment of less service. This will however necessitate some alteration of the orders of the distribution of the Office Establishment of the Sangam Division. Section 75 of the Civil Pension Code does not apply to the case.

From the Superintending Engineer, V Circle, dated June 1886.

Certificate and report from D. C. GORDON, Esq., Examiner, Public Works Accounts, Madras, to the Under Secretary to Government, Pension Department, dated Madras, 28th October 1886, No. 921 A-R :—

Certified that, should Government be pleased to treat the applicant's services, from 1st August 1873 to 26th September 1877, as qualifying inferior service on the strength of the applicant's statement in writing, statement of one contemporary servant, one original certificate of character, and on the specific opinion of the head of office that the service claimed is established and can be admitted, qualifying service in inferior grades will amount to 12 years and 6 months'; and that an invalid gratuity, not exceeding Rs. 24 only, equal to four months' pay, at Rs. 6 per mensem, will be admissible under sections 106 and 121 (*a*) of the Civil Pension Code.

2. Though the lascar entered the Government service after 20th January 1871 and after he attained the age of 25, the note to sections 113 and 121, rule 4 of the Civil Pension Code, is apparently not applicable to his case as he was certified to be fit for further service of a less laborious character than that he was doing hitherto.

3. The calculations have been duly verified. The invalid gratuity, if sanctioned, is chargeable to General (now Provincial) Revenues.

4. With reference to section 134, rule 4, attention is invited to section 69 of the Civil Pension Code.

Official Memorandum from C. J. WEIR, Esq., Acting Under Secretary to Government, Pension Department, to the Examiner of Public Works Accounts (with medical certificate), dated Fort St. George, 20th November 1886, No. 85.
