ABSTRACT.—Replying to Official Memorandum No. 348, dated 18th November 1886, regarding the St. Joseph's College buildings, Negapatam.

Order—dated 21st December 1886, Mis. No. 7699, Revenue.

The Military Department will be informed that the taluk cutcherry at Negapatam cannot be handed over to the South Indian Railway Volunteer Rifle Corps until St. Joseph's College is available for the reception of the Tahsildar's office.

2. Meanwhile, no reason appears why the Tahsildar's office should be held in a rented building instead of in the old cutcherry, which has been improved and put into repair expressly for occupation by the taluk staff which should accordingly move back into it at once.

Read—the following letter from the Acting Collector of Tanjore, to the Superintending Engineer, VI Circle, dated 10th January 1887, No. 77-R :—

Referring to your foot-note, dated 28th August last, No. 746 T.J., appended to Memorandum No. 569-D from the Chief Engineer, I have the honor to inform you that I have recently inspected St. Joseph's College buildings at Negapatam in company with the Executive Engineer.

2. The accommodation available is more than ample for the requirements of the several offices for which space is needed, and the distribution of rooms proposed by Mr. Wilks, has my approval so far as the revenue and magisterial departments of the district are concerned.

3. Accommodation is assigned to the Town Sub-Magistrate (Deputy Tahsildar) whose court will be transferred from the building in which it is now held.

4. There is a separate building altogether in the compound in which the taluk cutcherry will be located. Mr. Wilks and I have arranged how the space available in this building is to be distributed, and he is now preparing a detailed plan showing the alterations which are necessary in order to make it a very commodious, well-ventilated public office. The plan, when prepared, will be duly forwarded by the Executive Engineer.

5. As regards the old taluk cutcherry, it will not again be used by the Revenue Department, and I see no objection to its being utilized by the volunteers.

6. I regret the delay in making this report, but I was compelled to wait for an opportunity to visit Negapatam and inspect the buildings. This did not present itself until recently.

7. I have now sent the plan and accompanying papers to the District Judge.

Endorsement thereon by the Superintending Engineer, VI Circle, dated 12th January 1887, No. 1578 T.J.

Forwarded to the Chief Engineer, Public Works Department, for information in continuation of this office No. 1390 T.J., dated 11th December 1886.

2. The plan referred to in paragraph 4 and the opinion of the District Judge will be communicated on receipt.

Read—also the following letter from the Superintending Engineer, VI Circle, dated 20th January 1887, No. 1631 T.J. :—

In continuation of my No. 1578 T.J., dated 12th instant, on the subject of proposals for locating public offices in St. Joseph's College buildings at Negapatam, I have the honor to report that, owing to some objections made by the District Judge to the distribution proposed by the Collector and the Executive Engineer, further reference has to be made, and the preparation of the estimate will be still further delayed.

Read—also the following letter from the Superintending Engineer, VI Circle, dated 25th January 1887, No. 1655 T.J. :—

With reference to G.O., No. 96-W., dated 11th instant, I have the honor to state that the Executive Engineer, Negapatam division, has, in his No. 144, dated the 20th current, reported that the "Tahsildar is not in a rented building, but has at present very good accommodation at the college."

Order—dated 27th January 1887, No. 245-W., Public Works.

Copies of the foregoing letters forwarded to the Revenue Department for information with reference to G.O. in that department, No. 7699, dated 21st December 1886.

2. As it now appears that the Tahsildar's office at Negapatam is already located in the St. Joseph's College buildings, the order for its removal to the old cutcherry might perhaps be countermanded.

ORDER—dated 22nd February 1887, No. 194, Revenue.

Miscellaneous.

Under the circumstances explained in the foregoing papers, the Tahsildar may continue to occupy a portion of the college building, in which his office is eventually to be permanently located.

2. The old taluk cutcherry at Negapatam may now be handed over to the Railway Volunteer Rifle Corps.

3. It is presumed that the purchase of the college building for Government has been completed, and that rent for the use of a portion of it for the taluk cutcherry has ceased to be paid.
