Read—the following papers:—

From G. T. WALCH, Esq., Superintending Engineer, I Circle, to the Chief Engineer, Public Works Department, dated Dowlaishweram, 3rd November 1886, No. 274 V.Z.

With reference to your memorandum, No. 2942 C., dated the 27th August 1886, I have the honor to submit, herewith, for sanction, a re-revised proposition statement for the temporary establishment required in the Vizagapatam division, and this statement includes the required guards.

2. The information required in paragraphs 2 and 3 of your memorandum under reference is given in the enclosed extract from the Vizagapatam Divisional-officer's letter, No. 976, dated the 28th September 1886.

3. The statement includes also—

(1) Provision for an additional lascar for the Hospital Assistant on the Potinghy Ghât road.

(2) Increase of salary to the Sub-divisional clerk of the Potinghy-Koraput road.

My prodecessor, Major Clarke, ordered the entertainment of the additional lascar for the Hospital Assistant, on the report of the Division-officer urging the necessity of the employment of the lascar. An extract (will follow) from the Division-officer's report is enclosed. The lascar was employed from the 4th May 1886. As regards the increase of salary to the Sub-division clerk, a copy of the Division-officer's letter, No. 1001, dated the 2nd October 1886, is herewith submitted, and I entirely agree with him in the opinion expressed in the letter.

4. The statement also contains some other alterations the necessity for which is explained in the remark column.

Office note from the Examiner, Public Works Accounts, dated 17th Dec. 1886, No. 658.

Order—dated 11th January 1887, No. 91 W., Public Works.

The revised statement of temporary establishment required for the Vizagapatam division during 1886-87, is sanctioned.

2. The pay of the two clerks employed under the Assistant Engineer in charge of the Potinghy-Koraput Sub-division is, in the circumstances explained, increased as a special case to Rs. 50 and 30.

3. Sanction is accorded to the entertainment of four treasure guards required on the Potinghy-Koraput road, but the provision in the statement for the same has been eliminated as the cost should be adjusted by transfer debit to the Civil department under paragraph 837 of the Public Works Code.

4. The sanction accorded in paragraph 1 has been registered as Provincial, No. 55 W. of 1886-87, and classified as Establishment, Temporary.

Resolution—dated 12th February 1885, No. 473.

In G.O., dated 11th July 1884, Mis. No. 2955, Government sanctioned the supply of an iron safe to the Taluk Treasury at Nellore, and directed the discontinuance of the Police guards at a cost of Rs. 55 per mensem, the money received in the taluk being remitted daily to the Huzur.

2. In G.O., dated 25th idem, Mis. No. 1708, Financial department, the Board were requested to consider whether similar economy cannot be carried out in other places.

3. Several of the Collectors consulted do not think it practicable or desirable to dispense with Police guards even if iron safes are supplied. In most of the taluks, these guards look after both the treasury and the sub-jail, and would be required for the latter, even if dispensed with for the former. Some of the officers further point out that the presence of the police officer in uniform and armed "has a value of its own, which should not be lightly given up," and that the trouble and expense of making frequent remittances to the Huzur would far outweigh any little saving that might be effected by the adoption of the proposed measure.

4. The Board generally concur in the opinion above expressed, and recommend that, for the present, iron safes be supplied only to the following treasuries, at which the local officers consider it possible to effect a reduction in the strength of the Police guards:—

Ganjam—*Berhampore.*—Remittances are made daily to the Bank, and the Police guards can be dispensed with, if an iron safe is supplied. The amount of the saving is not stated, but the cost of the existing guards is given at Rs. 47-8-0 per mensem.

Kistna—*Bandar and Guntúr.*—The saving by dispensing with the guards is given at Rs. 726 and 353 per mensem, respectively.

Anantapur—*Anantapur.*—Remittances are now made daily to the Huzur, and the cash-chest containing any balance which may remain is also sent to the Huzur treasury for safe custody, as there is no separate treasury room allowed for the Sub-treasury. This causes inconvenience, and the Collector recommends the supply of an iron safe. Apparently, there are no separate Police guards for the Sub-treasury.

North Arcot—*Chittoor.*—The cost of the Police guards which can be dispensed with by supplying an iron safe and sending remittances daily to the Huzur is estimated by the Collector at Rs. 48-8-0 per mensem, instead of at Rs. 55. The difference is due to one constable on Rs. 6-8-0 being required for an orderly to the Magistrate. The Board are not sure if the orderlies are supplied from the Treasury guards.

5. The Collector of Nellore states that a saving of Rs. 2,064 per annum might be effected by reducing the strength of the Police guards, if iron safes are supplied to each taluk treasury, and the time of duty of each guard is raised from four to six hours out of twenty-four, or three hours by day and three by night. This is a question on which the opinion of the Superintendent of Police should have been obtained. The Collector will report whether that officer has any objection to the proposal and whether in any taluks separate guards are maintained for the treasury and for the sub-jail.

6. The Collector of Bellary states that the combined treasury and sub-jail guards in the Bellary taluk might be reduced by two constables. The Collector should ascertain and report if the Superintendent concurs in this proposal.

7. The Collector of Tanjore reports that, as the treasury and sub-jail are located in one and the same building in all the taluk stations, a separate treasury guard might safely be dispensed with (except, perhaps, in the three outlying stations of Patukóta, Tiruturaipundi and Nannilam) if an iron safe capable of holding from Rs. 25,000 to Rs. 30,000 is supplied to each taluk, and remittances are sent in whenever the balance exceeds Rs. 20,000. He adds that the taluk peons may be told off to watch the safes every night, and that the sub-jail guards will be ready at hand in case of an emergency. Mr. Pennington is requested to consult the Superintendent of Police, and report how far he is prepared to adopt the suggestion, and what saving can be effected. He should also report if the safes cannot be so placed as to be within the observation of the Sub-jail guards, as the taluk peons cannot be expected to watch the safes at night after having worked all day, and cannot, moreover, be always relied on for not being absent on duty.

8. At the Coonoor and Gúdalúr sub-treasuries and the taluk treasury at Salem, there are apparently no separate treasury guards. The Collector of South Canara reports that arrangements are being made in communication with the Executive Engineer for supplying iron safes to the Mangalore taluk, and promises to report about the guards after the safes are put up.

9. Besides the safes mentioned in paragraph 4, the Collector of Ganjam applies for seven more safes for Deputy Tahsildars' Treasuries not previously supplied, and the Collector of Anantapur asks for one safe for the Deputy Tasildar's office at Yadiki. The total cost of the thirteen safes may be put down roughly at Rs. 2,600, and the saving in guards, as far as reported, will be monthly Rs. 234-8-0, and annually Rs. 2,814.

10. An iron safe has already been sanctioned for the Rámallakót Taluk Cutcherry at Kurnool, and the Police guards ordered to be dispensed with (*vide* G.O., dated 8th January 1885, No. 62, Revenue department.)

Proceedings of the Board of Revenue, dated 1st May 1885, Mis. No. 3995.

Read—the following letter from J. GROSE, Esq., Collector of Nellore, to the Secretary to the Board of Revenue, dated Nellore, 16th April 1885, No. 1857:—

Adverting to paragraph 5 of the Board's proceedings, dated 12th February last, No. 473, I have the honor to enclose extract* from a letter of the District Police Superintendent to the Assistant Inspector-General of Police, dated 4th March 1885, No. 264, together with copy of a statement received from the Superintendent's office.

* Paras. 1 to 5.

2. It will be seen from them that Mr. Sullivan proposes a reduction of two constables in five stations † resulting in a saving of Rs. 1,654-15-6 per annum, and deprecates any change in respect of the existing guards at Rapur, Udayagiri and Kanigiri being close to the Velegonda hills which form the boundary between this and the Cuddapah districts.

† Gúdúr, Atmakúr, Kávali, Kandukúr and Ongole.

3. In no taluk are separate guards maintained for treasury and sub-jail purposes.

Resolution—dated 1st May 1885, Mis. No. 3995.

Submitted to Government with reference to paragraph 5 of Board's proceedings, No. 473, dated 12th February 1885.

2. A reduction of two constables at each of the five sub-treasuries noted in the margin is recommended, which will cause a saving of Rs. 918-2-0 per annum, not Rs. 1,654-15-0 as stated in the Collector's letter. These sub-treasuries may therefore be supplied with iron safes.

Read—the following letter from J. B. PENNINGTON, Esq., Collector of Tanjore, to the Secretary to the Board of Revenue, dated 7th May 1885, No. 2761 :—

With reference to paragraph 7 of the Board's proceedings, No. 473, dated the 12th February 1885, I have the honor to report that the Superintendent of Police, who was consulted on the subject therein referred to, is of opinion that the Treasury guards cannot safely be dispensed with as no separate guards are provided for the sub-jails in this district, and that no saving can be effected by the proposed arrangements (*vide* copy of his letter, No. 59, dated 11th March 1885, enclosed).

2. In regard to the point raised in the latter part of the same paragraph I have the honor to state that, except in the taluks marginally noted, where the treasury rooms are beyond the view of the sub-jails, the iron safes could be so placed in all taluk treasuries as to be within the observation of the sub-jail guards though at present no separate guards are provided for the sub-jails.

Resolution—dated 20th May 1885, Mis. No 4736.

In the circumstances now reported, the Board are of opinion that no reduction can be effected in the strength of the Police guards at any of the sub-treasuries of the Tanjore district, and it is, therefore, unnecessary to supply them with iron safes.

With reference to the marginally-noted papers referred to me for remarks, I have the honor to report that a total reduction of 310 constables, costing Rs. 2,222 per mensem, may be made by supplying the treasuries with iron safes,

No. 475, dated 26th February 1885, Financial.

after providing for sub-jail guards, treasure escorts and sub-magistrate's orderlies, which have been generally supplied from the Treasury guards.

2. No reduction of head constables is shown, as they will be required to be in charge of Sub-jail guards even after the treasure guards may be dispensed with.

3. As each district has circumstances peculiar to itself, it is not possible [illegible] a uniform reduction. A memorandum therefore explaining the circumstances [illegible] which the reduction shown in the accompanying statement is arrived at is attached.

ENCLOSURES.

MEMORANDUM.

Ganjam.—There are 3 taluk treasuries. One of the treasuries (Chicacole) being far away from the town, the District Magistrate is of opinion that no reduction can be made although an iron safe may be supplied to it, Rs. 50,000 being generally kept in that treasury. In the two remaining treasuries, 1 man from each will be required for sub-magistrates' orderlies; the sub-jail guards being separately provided for, 10 men can be saved.

Vizagapatam.—There are only 2 Government taluks, the others being zemindari taluks. After providing for sub-magistrates' orderlies and sub-jail guards, 2 men from each treasury guard can be saved.

Jeypore.—There is only one treasury at Koraput which is guarded by the sub-jail guard: no separate sanction exists for this treasury guard.

Godávari.—There are 10 taluk treasuries; at Rajahmundry no reduction can be made as the whole of the treasury guard would be required for the sub-jail and to escort the very large number of prisoners who have to be sent to the Magistrate's courts, there being 3 Magistrates at this place (Joint, Taluk, and Sheristadar Magistrates). A sub-magistrate's orderly has also to be supplied. In fact an addition is required. At Ellore also there is a large number of under-trial prisoners, and no reduction can be made from this treasury. Bhadráchalam is a hill station and no reduction is possible. In this district it sometimes happens that murderers, dacoits, and house-breakers are also sent to sub-jails previous to being sent to the central jail, and it is now the practice to take out convicts for work in the sub-jail compound without fetters. After providing for these contingencies, the reduction that can be made in the remaining 7 treasuries is 14 constables.

Kistna.—There are 11 taluk treasuries. As the taluks of Dáchepalle, Krósúr, and Nandigáma border on the Nizam's dominions, and as precautions have to be taken against Rohilla raids into these taluks, no reduction is deemed advisable in them. In the taluks of Répalle, Bápatla, and Gudiváda reduction is feasible, if sufficient number of iron safes be supplied to hold all the collections made at a time; granting that this is done, the reduction feasible in these taluk treasuries and in the remaining 5 treasuries after providing for the sub-jail guard, &c., is 20 constables.

Nellore.—There are 9 taluk treasuries. As the taluks of Rápúr, Udayagiri, and Kanigiri are contiguous to Valagonda hills through which criminal wandering gangs from Cuddapah pass to and fro, no reduction is advisable in these treasuries. In the Nellore taluk treasury the reduction of the whole guards has been ordered on the supply of iron safe—*vide* G.O., Mis. No. 1841, dated 25th July 1884, Judicial. In the remaining 5 treasuries, a reduction of 15 constables can be made.

Kurnool.—There are 7 taluk treasuries, besides the temporary ones at Dhone and Bathmacherla which have been established to facilitate payments to officers of Bezváda-Kistna State Railway. The guards at these places are supplied from the men withdrawn from the Rámallakót treasury for which an iron safe has been supplied. After providing for the sub-jail guards, treasure escorts, and sub-magistrates' orderlies, 14 constables can be saved.

Bellary.—There are 8 taluk treasuries. After providing for sub-jail guards, treasure escorts, and for sub-magistrates' orderlies, a reduction of 2 constables can be made from each taluk treasury. The saving will therefore be 16 constables.

Anantapur.—There are 7 taluk treasuries. After providing for sub-jail guard and treasure escorts, and sub-magistrates' orderlies, 11 constables can be saved. At Anantapur treasury only 1 head and 3 men were sanctioned, but 1 head and 4 men will be required for the sub-jail guard.

Cuddapah.—There are 11 taluk treasuries. A reduction of 2 men may be made after providing for sub-jail guard, &c., the total reduction amounting to 22 men.

North Arcot.—There are 9 taluk treasuries. There are sub-jails only at 7 places; after allowing for these guards and sub-magistrates' orderlies, a reduction of 18 constables can be made.

Chingleput.—There are 6 taluk treasuries; from each of which a reduction of 2 constables can be made after providing for sub-jail guard and sub-magistrates' orderlies, the total reduction being 12 men.

South Arcot.—There are 8 treasuries. At 3 of these treasuries separate jail guards are provided for. Deducting 1 man for sub-magistrates' orderlies at these places, 15 constables can be saved; at the remaining 5 treasuries, after providing for sub-jail guards and sub-magistrates' orderlies and treasure escorts, 10 men can be saved; a total reduction of 25 men can be made.

Tanjore.—There are 9 taluk treasuries. At 3 of these treasuries, sub-jail guards are separately provided for. Allowing for an extra man at these places for sub-magistrates' orderlies, and after providing for sub-jail guards, treasure escorts, and sub-magistrates' orderlies at the remaining 6 treasuries, a reduction of 27 men can be made.

Trichinopoly.—There are 5 taluk treasuries. A reduction of 2 constables from each can be made after providing for sub-jail guards, treasure escorts, and sub-magistrates' orderlies, the total reduction being 10 men.

Madura.—There are 6 taluk treasuries. In each of which 2 men can be saved, the total reduction being 12 men.

Tinnevelly.—There are 9 taluk treasuries. A reduction of 2 men from each can be made after providing for sub-jail guard and sub-magistrates' orderlies, &c., the total reduction being 18 men.

Salem.—There are 9 taluk treasuries. A reduction of 2 men from each can be made, the total reduction being 18 men.

Coimbatore.—There are 10 taluk treasuries. A saving of 2 constables can be made after providing sub-jail guards, &c., the total reduction being 20 men.

Malabar.—There are 9 taluk treasuries. No reduction is advisable in 2 Moplah taluks. At the remaining 7 treasuries, 2 constables can be saved after providing for orderlies, &c., the total being 14 constables.

South Canara.—There are 5 taluk treasuries. Two constables can be saved from each after providing for orderlies, &c., total saving being 10 constables.

Order—dated 15th September 1885, No. 1280, Financial.

In G.O., No. 1708, Financial, dated 25th July 1884, inquiry was ordered as to the saving on police guards which could be effected by the provision in treasuries of iron safes for the custody of money.

2. The papers read above contain the result. They will be communicated to Collectors who will take steps for obtaining suitable cash-chests where needed, and in cases where budget provision admits of the charges being met. The police guards can then be reduced to the extent shown by the Inspector-General. The total ultimate saving in the police budget is set down at 310 constables costing Rs. 2,222 per mensem.

Sir,

I have the honor to request you to be so good as to obtain the sanction of Government to the entertainment of two special guards, of two men each, for the purpose of guarding the cash chests of the two Imprest holders on the Potinghy-Koraput Road. One imprest cash chest was robbed on the Potinghy Ghât a year or two ago, and the nature of the locality is such as to render a guard essential.

2

2. Under para 999 of the P. W. Code, application was made to the Police Department, but the Police Superintendent, Jeypore District writes to say he is unable to supply the guards applied for from the regular Police force of the District, in as much as it is now under its sanctioned strength owing to his inability to get candidates for enlistment who are up to standard height &ca.

The Deputy Chief Engineer's para 2. The largest sum that each Chest is likely to contain will probably be Rupees 700. This does not consist of Miscellaneous Receipts but of Cash drawn from Treasury for payments to Coolies and cannot therefore be obviated by frequent payments into treasury.

The Dy Chief Engr's para 3 - Guards have not been needed heretofore as work was only begun in May, and till then there were therefore no Cash Chests to guard. While the Solinghi Ghat was in progress there were Police guards for the Cash Chests on that work and it is because Police guards cannot be spared from the insufficient Police force in Jeypore that the application for a special guard is now made

Sir,

The Assistant Engineer having written as follows on the 21st September last

"With reference to G.O. No. 1856 W, dated 22d July, the Office establishment of the Assistant Engineer for Potinghi-Korapat Sub Division includes 2 Clerks.

one Clerk IV Class 2d Grade at Rs 30 a month
Ghat Allowance — at Rs 15 — do
One Clerk IV Class 3d Grade at Rs 20 — do
Ghat Allowance — at Rs 10 — do

At present there is one Clerk in the Sub Division Office on Rs 15/- a month who has been in the service for 3 months and can do absolutely nothing not even Copy a letter without making the most absurd mistakes.

As it is impossible to do the work without Clerks I request that the 2 Clerks sanctioned for the Sub Division be at once sent up to Potinghy."

I have the honor to bring to notice the difficulty experienced in filling the place of Sub Divisional Clerk without which the Assistant Engineer cannot give time to out door Engineering work.

2. I find that both the Sub Divisional Clerks now in the Division can produce evidence of having already suffered from fever and they are certain to give in after a short stay above Ghat at Potanghi

3. It appears that there were not the same conditions when the Ghât work was in progress, as the Office Clerks lived at comparatively wholesome places, Salur and Elsewhere, went up, and came down frequently.

4. The only way of filling the place, with any prospect of efficiency appears to me offering a salary commensurate with the risk, and which would be tempting to natives or others of vigorous Constitution.

5 Instead of Rs 30, I would request sanction to offer Rs 50 and Ghat allowance. Even this would not be enough to induce any European— it being understood that they stand the Climate much better than Eurasians— to come forward. 91

SIR,

With reference to your Memorandum No. 2942 C dated the 29th August /86, I have the honor to submit herewith for sanction a ~~re~~ revised proposition Statement for the Temporary Establishment required in the Vizagapatam Division and this statement includes the required guards.

2. The information required in paras 2 and 3 of your Memorandum under reference is given in the enclosed extract from the Vizagapatam Divisional Officer's letter No. 976 dated the 28th September /86.

3. The Statement includes also

(1) provision for an additional lascar for the hospital Assistant on the Potinghy Ghat road.

(2) Increase of Salary to the Sub Division-al Clerk of the Cotinghy-Korapút road.

My predecessor, Major Clark, ordered the entertainment of the additional lascar for the hospital Assistant, on the report of the Division Officer urging the necessity of the employment of the lascar. An extract× from the Division Officers' report is enclosed. The lascar was employed from the 4th May /86. As regards the increase of Salary to the Sub Division Clerk a Copy of the Division Officers letter No 1001 dated the 2d October/86 is herewith submitted and I entirely agree with him in the opinion expressed in the letter.

Proposition Statement for the revision of the Temporary Establishment in the Vizagapatam Dn.

No. 91-W

PUBLIC WORKS DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT

UNDER date the 11 January /87

READ the following

Letter from the Supd. Engr., I Circle. H.E. No. 2741 Z. d/ 3rd Novr. 1886.

Office Note from the Examr. P.W. Accts. " No. 658 d/ 17th December 1886.

The revised statement of temporary establishment required for the Vizagapatam division during 1886-87, is sanctioned.

2 The pay of the two clerks employed under the Assistant Engineer in charge of the Potinghi Koraput Sub division is, in the circumstances explained, increased as a special case to Rs 50 and 30.

3 Sanction is accorded to the entertainment of four treasure guards required on the

the Polinghi Korapul road, but the provision in the Statement for the same has been eliminated as the cost should be adjusted by transfer debit to the Civil Department under para 837 of the P. W. Code.

4 The sanction accorded in para 1 has been registered as Provincial No. 55 W of 1886-87, and classified as Establishment Temporary.
