GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

General
Establishment.

READ—the following papers:—

From the Superintending Engineer, VI Circle, dated 28th February 1887, No. 282 R.N.

From J. W. MARTIN, Esq., Superintendent of Works, in charge, VI Circle, to the Chief Engineer, Public Works Department, dated Negapatam, 17th March 1887, No. 314 R.N.

With reference to G.O., No. 753 W., dated 11th instant, I have the honor to forward, herewith, a proposition statement showing the temporary establishment required for the Ramnad sub-division.

2. The temporary establishment retained with reference to your telegrams under date the 24th February and 1st March 1887 and G.O., No. 753 W., dated 11th March 1887, is as follows:—

	RS.
1 Executive Engineer	550
1 Overseer	80
1 Draftsman	20
1 Clerk	15
1 Messenger	6
3 Lascars, at Rs. 6 each	18
	689

3. The additional establishment absolutely necessary to work the sub-division is—

	RS.
1 Draftsman	40
1 Clerk	30
1 Do.	20
1 Do.	15
1 Lascar	6
	111

The whole establishment required for the sub-division is shown in the column "proposed scale" in the accompanying statement. The additional hands needed cannot be drafted from the existing permanent establishment in the circle as no surplus men are available.

4. Although the sub-divisional officer is now relieved of the compilation of the divisional accounts, yet he will not be able, I think, to work the sub-division with a smaller establishment than that now applied for. Heretofore his office establishment consisted of—

2 Draftsmen.
4 Clerks.
1 Accountant.

It is usual to allow one clerk to work under the accountant, and as the division will be worked as a sub-division in future, a reduction of one clerk, besides the accountant, may be made, but I think this is the only reduction feasible. If the entertainment of the clerks applied for is sanctioned, the office establishment for Mr. Harington's own office will be as follows:—

2 Draftsmen.
3 Clerks.

The fourth clerk and lascar applied for in the proposition statement are required for the temporary overseer's office.

3. The additional establish-
-ment absolutely necessary to work
the Sub-Division is —

1. Draftsman	Rs 40.
1. Clerk	" 30
1 — " —	20
1 — " —	15
1 — Lascar	" 6
	Rs — 111

The whole establishment required
for the Sub-Division is shown in the
column "Proposed Scale" in the
accompanying statement. The
additional hands needed can-
not be drafted from the
existing permanent establishment
in the circles as no surplus men
are available.
