Superintending Engineer

The Chief Engineer

P. W. Department.

Sir,

With reference to G. O. No. 500 B.
dated 24th February 1887 on Pro-
vincial Statement of Objectionable
Items Military and Provincial
Fund for November 1886 Item No. 1.
I have the honor to report that there is
no old order that I am aware of
sanctioning the execution of the same
P. W. D. Works at Mysore & Mandya
by the Mysore Government P. W.
But the practice is necessitated
owing to the paucity of Upper Sub-
ordinates at Bangalore; the nearest
Madras Departmental Station
is by the usual arrangement.

CONCERNS BOTH BRITISH INDIA
AND INDIAN STATES.

is to give the Mysore I. P. 10 per
cent on the amount of the Estimate
as "Establishment" Charges: As the
Mysore Govt. have an Executive
Engineer at Mysore & an Assistant
at Hunsur, this arrangement
is very beneficial to the Madras
Government in the way of Establish-
ment, and Travelling Allowances:

the Estimates are but few & far
between, & 1 or 2 journeys to & fro
a year are the most that any
Madras Government Officer may
make to satisfy himself that
the Native Government gives us
what we pay for. I scarcely see
what other arrangement could be
made without an increase to our
Establishment at Bangalore.

& relating to
works at Mysore
& Hunsur

I am, Sir,

Sir,

Your Most Obedt. Servt.
