are approved.

With reference to the question raised by the S. W. Accounts as to the admissibility of examination leave to officers who have passed the Lower Standard in Hindustani, it is observed that para 565 of the Code allows the leave to officers who have not passed the examination prescribed in paras 79 & 91. These paragraphs refer solely to the departmental standard in Tamil, Telugu, Canarese & Malayalam, & it seems clear therefore that Hindustani should be excluded from the exception in the third clause of para 565. The Examiner will submit a draft standing order accordingly.
