

16TH MARCH 1887, No. 350, FINANCIAL.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following papers :—

From Colonel W. H. BURTON, R.E., Superintending Engineer, V Circle, to the Chief Engineer for Irrigation, dated Cholaveram, 19th November 1886, No. 4228.

By Irrigation Professional Circular, No. 50, dated 12th July 1876, plans of masonry works are to be drawn on Imperial hand-made paper. By endorsement of the Chief Engineer, Public Works Department, No. 1351-C, dated 31st July 1884, the supply of machine-made paper, Imperial, Royal, Medium and Demy, has been ordered in lieu of hand-made paper. Machine-made paper is not suited for plan drawing, as it cracks and splits at every fold. I have the honor to request that sanction may be obtained for the supply of Imperial hand-made paper to the Public Works Department as a special case.

No. 87.

Forwarded to the Chief Engineer, Public Works Department, with the recommendation that the sanction of Government may be obtained for the supply to this department of Imperial hand-made paper in lieu of Imperial machine-made paper.

CHEPAK,
24th November 1886.

(Signed) J. P. DAVIDSON,
for Offg. Chief Engineer for Irrigation.

No. 4212-C., Public Works.

Please say how much hand-made Imperial paper would be required annually for plans of masonry works.

CHEPAK,
29th November 1886.

(Signed) J. O. HASTED, Col., R.E.,
Chief Engineer, P.W.D.

To the Chief Engineer for Irrigation.

Office Note from J. P. DAVIDSON, Esq., Deputy Engineer, Public Works Department, Irrigation Branch, to the Chief Engineer, Public Works Department, dated Madras, 4th February 1887, No. 15.

(Your endorsement, No. 4212-C, dated 29th November 1886.)

The total quantity of Imperial hand-made paper required annually for plans of masonry works is 27 reams and 19 quires as detailed below :—

	R.	Q.
Office of Chief Engineer for Irrigation	0	6
Superintending Engineer, I Circle	8	0
" " II "	0	10
" " III "	0	10
" " IV "	2	0
" " V "	1	13
" " VI "	3	0
Superintendent of Works, Tank Maintenance Scheme	12	0
	27	19

No. 457-C.

Forwarded to the Public Department for favorable consideration. It is essential for the good preservation of plans of masonry works that they should be upon paper of very good quality.

2. No. 1351 C., dated 31st July 1884, is an official memorandum issued by the Superintendent of Stationery, dated 9th June 1884.

CHEPAK,
8th February 1887.

(Signed) J. O. HASTED, Col., R.E.,
Secy. to Govt., P.W.D.

From M. R. Ry. P. CHENTSAL RAO PANTULU GARU, Superintendent of Stationery, Madras, to the Chief Secretary to Government, dated Madras, 3rd March 1887, No. 2043.

With reference to your endorsement, dated 19th February 1887, on memorandum, No. 457 C., dated 8th idem, from the Secretary to Government, Public Works Department, I have the honor to state that the supply of Imperial hand-made paper having been discontinued in accordance with the suggestions of the Government of India embodied in G.O., Financial Department, No. 1021, dated 22nd May 1883, I have omitted this description of paper in my last indent on the Secretary of State for India. I have only a few quires in store at present. If the Government sanction this paper specially for the Public Works Department, I shall submit a supplemental indent.

ORDER—dated 16th March 1887, No. 350, Financial.

The Superintendent of Stationery is authorised to submit a supplemental indent for the required supply of paper to be used for plans in the Public Works Department.

(True Extract.)

H. E. STOKES,
Ag. Chief Secretary.

To the Superintendent of Stationery,
„ Public Works Department.
