Your letter No. 116 W dated 6th February 1886.

In para 5th of his letter No $\frac{2644}{3212}$ of 28.12.85, Major Neuiller apparently intended it to be understood that Col. Burton would be employed during his privilege leave as Supdg Engr in Coorg &c.

It would be more correct if Col. Burton signed as "for Supdg Engr in Coorg" until his appt. has been formally sanctioned by the Govt. of India.

During privilege leave, he will draw pay from the Madras

Colonel W. H. Burton R. E. has returned from privilege leave. He is still signing for "Secretary to Chief Commissioner Coorg P. W. D." the fact is reported for the information of Government.

C.

9/3

Colonel Burton has explained to me that it is on the strength of G.O. No 422 of 22-2-86, th he has continued to sign "f Supt. Engineer in Coorg".

In that G.O. it was suggested to the Chief Commissioner that Colonel Burton should be instructe to sign in that style "until "his appt. has been formally "sanctioned by the Govt. of India"

Colonel Burton tells me that the Chief Commissioner is in daily expectation of receiving a reply from India to his application for Colonel B.'s services, — that he has telegraphed for a reply; and that the present practice is not likely to last beyond the current month.

That being so, I think the matter may stand over.

No 461G dated 16th March 1886.

From - The Secy to the Government of India P.W.

To - The Resident at Mysore and Chief Commissioner of Coorg

I am directed to acknowledge your letter No $\frac{8}{342}$ dated 30th January makin suggestions for carrying on the business connected with Public Works in Coorg and the assigned Tract of Bangalore.

2. I am directed to state in reply tha it does not appear to the Governor General in Council that any necessity exists for the appointment of a Superintending Enginee

and

and Secretary in the Public Works Department. As regards the Public Works in Coorg, I am to say that your orders to the Executive Engineer should be conveyed through your Assistant, who is also your Secretary ~~and~~ as Chief Commissioner of Coorg. As regards the Civil Works in Bangalore the duties which have hitherto been performed by Colonel Le Messurier, might with the consent of the Madras Government now devolve on the Executive Engineer of the Bangalore Division, the usual ~~privilege~~ percentage being paid for Establishment and Tools and Plant.

3 As to the arrangements you have made since the departure of Colonel Le Messurier on leave, I am directed to state that the Governor General in Council objects to an Officer of Mr McHutchin's standing being made an Officiating Superintending Engineer, and moreover there is no vacancy on the Government of India list which can give officiating promotion.

4 As to Colonel Burton, it appears, that on your representation the Government of Madras granted him 45 days privilege leave, and you recommend that he also should be appointed for the time to officiate as a Superintending Engineer on the Government of India list. I am to say that Colonel Burton being on leave was not entitled to receive any remuneration from Coorg, nor could he under any circumstances have been appointed to officiate as Superintending Engineer, for he would have been in excess of the number of Officers of that rank sanctioned by the Secretary of State.

No. 1034 G dated 1st July 1886.

From. The Secy to the Govt of India P.W.D.
To. The Chief Commissioner of Coorg

I am directed to acknowledge your letter No. $\frac{357}{130}$ dated 14th April on the subject of the appointment of a Superintending Engineer and Secretary in the Public Works Department for Coorg.

2. I am to point out that the works under your control consist of certain Civil buildings at Bangalore, and the ordinary public Works of the one Division of Coorg, for which the sum of Rs 1,28,000 has been passed in the Budget Estimate of the current year. I am to say that the Government of India does not consider that a separate highly paid officer such as a Superintending Engineer is necessary for the supervision of that work, or for the purpose of advising in regard to it.

3. The Civil works at Bangalore, it appears to the Government of India might, if necessary be transferred to the charge of the Madras Public Works Department and form part of the ordinary charge of the Madras Executive Engineer at

at that Station, and the Government of Madras will be addressed on the subject. The ordinary percentage would of course be charged against the grant for Public Works in charge of Civil officers at Bangalore.

4 As regards Coorg, the Governor General in Council considers that an Executive Engineer of experience *will* suffice, who *will* also be your personal Assistant or Assistant Secretary in the Public Works Department. If you do not consider the present incumbent to be possessed of sufficient experience, the first opportunity will be taken to replace him by a senior Executive Engineer. If then, in any case, you wish for the advice of a Superior Officer, you can either obtain the consent of the Mysore Durbar to your consulting Major Bowen, or if this is found to be impracticable you may with the assent of the Madras Government, consult one of the Superintending Engineers of that Presidency. Or in a matter of great importance you can refer to this Office, if you think it desirable to do so.

× × × × ×

6 You are requested to place yourself in communication with the Government of Madras in regard to the points of this letter which seem to you to require that course. A copy of this letter (omitting para 5) has been sent to that Government with a letter of which a copy is enclosed.

**GENERAL.**

To

The Secretary to the Govt. of Madras
Public Works Department.

Simla, 1st July 1886.

Sir,

I am directed to forward a copy of para 1-4 and 6 of a letter this day addressed to the Chief Commissioner of Coorg. It will be seen that there is a difficulty in dealing with the Public Works business of that Province, owing it is said, to the unwillingness of the Mysore Durbar any longer to allow their Chief Public Works Officer to exercise the functions of a Superintending Engineer in connection with the Public Works of Coorg.

2. If this obstacle cannot be overcome, the Governor General in Council hopes that there will be no difficulty in calling in the aid of the Madras Government in the manner indicated in the letter addressed to the Chief Commissioner. His Excellency in Council trusts that His —

Excellency

Excellency the Governor of Madras in Council will be able to aid the Government of India in this matter, to the extent that the Chief Commissioner may consider absolutely necessary, and will be obliged if His Excellency the Governor in Council will do so.

Fort William, 14th March 1887.

The following is forwarded to the Government of Madras for information.

By order,

G H D Walker

Offg: Under Secy. to the Govt. of India.

No 550 G dated 14th March 1887.

From - The Secy. to the Govt. of India P.W.D.
To - The Chief Commissioner of Coorg.

I am directed to acknowledge the receipt of your Secretary's letter No. 666/260 dated 16th July 1886, forwarding the salary, travelling allowance and contingent bills of the office of the Superintending Engineer of Coorg from the 16th January 1886 to the 30th June 1886 and

requesting

PWC № 229

requesting that the Examiner of Accounts may under the circumstances explained be authorised to pass them.

2. In reply I am directed to communicate the sanction of the Government of India to the bills being passed excluding the item of Rs 451-9-9 paid to Colonel Burton as charge allowance for the period from 16th January to 31st March 1886. As regards this item I am to state that after full consideration of the circumstances of the case, and of the explanations offered by the late officiating Chief Commissioner His Excellency the Governor General in Council is of opinion that the grant of allowances to Colonel Burton, an officer of the Madras Public Works Department on privilege leave, was beyond the power of the Chief Commissioner, and contrary to official practice, such irregular grants it is necessary to check and His Excellency has consequently directed that Colonel Burton shall refund the amount irregularly disbursed to him

Enclosures.

SIR,

In reference to G.O. No. 895 W dated 23rd March 1887, I have the honor to inform you that I propose to make an appeal against the decision which has been already arrived at.

It will take some little time to enable me to represent those points of the question which personally affected me in December/January 1885/86 & subsequent months, the two or three Officers principally concerned being scattered at distant Stations & I myself am about to avail myself of the Furlough granted me in the Fort St. George Gazette of the 22nd March 1887.
