No. 6. 375

Fort St George, 4th November 1886.

From

Brigadier General A. C. Johnson, C. B.,

To

Commanding Eastern District,

The Quartermaster General

Madras Army.

In,

Cotacamund.

The Garrison Chaplain sometime since applied for permission for the Scripture reader of the Garrison to occupy any vacant building in the Fort, and if possible rent free, the only available place being the old Garrison Quartermaster Sergeant's Quarters in the Casemates in the South East Corner of the South flank of the Redan on the sea face of the Fort, application was made through the Barrack Master to the Executive Engineer to know if he could occupy the same, who replied he could not occupy the place without paying rent; and after a considerable amount of correspondence the rent was fixed at about Rupees 5-12-6 per mensem (being 4 per cent on value of building). - The Chaplain still urges that the Scripture reader may be allowed to occupy the quarter free of rent and I beg to recommend that he may be allowed to do so. - This quarter has not

not been tenanted for years, and is not now, or
likely to be hereafter, required for any other purpose,
and most certainly not as a Quarters. —

If the permission sought, is given,
it will of course be on the understanding that the
Quarters is to be ~~at~~ vacated at the shortest notice if
required for any other purpose. —

I have the honor to be,

Sir,

Your Obedient Servant,

A. Johnson

OFFICE NOTE No. 672

To W.

G. O. No. 3305 W. dated 14th
December 1886.

The Garrison Quarter Master
Sergeants Quarters being an Imperial
Military Building, the approval of
the Govt. of India to its occupation
free of rent by the Scripture reader
of the Garrison appears to be necessary.

2. In a case that occurred in the
Coorg Province where the Chief
Commissioner permitted an Imperial
Military Building to be occupied by
a school, at a nominal rate of rent,
it was pointed by the Govt. of India
that a Local Govt. or Administration
could not fix a reduced rate of rent
for any Imperial building without
their previous sanction.

SIR,

Enclosures.

In continuation of my Telegram dated 21st Instant, surrendering the sum of Rs 5500 from the grant for the Collector's Residence at Anantapur, I have the honor to state that the amount was surrendered owing to the refusal of the Contractor now working at Anantapur to take up the Contract for the said building. The Executive Engineer endeavoured to get some of the Bellary Contractors to undertake the work but none of them are willing to have any thing to do with it.

2. The Executive Engineer has been instructed to invite fresh tenders by advertisement, and in the event of no one coming forward, arrangements will be made for carrying out the
