PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper *from*

the Government of India, Home Department, dated 11th December 1886, No 435.

I am directed to acknowledge the receipt of your letter No 629 Mis dated the 10th July last forwarding copies of certain Proceedings of the Madras Government concerning a scheme for the reorganization of the staff of the Madras College of Engineering with a view to extending its scope; and requesting that the sanction of Her Majesty's Secretary of State might be obtained to the changes proposed in the higher appointments of the college. The scheme it is stated will involve an eventual extra expenditure of Rs 26,772 per annum.

2. In reply I am to say that the Governor-General-in-council would prefer not to make any reference to the Secretary of State on the subject pending the settlement of the new contract with the

the Madras Government. I am to add that His Excellency in Council regrets that he is unable to authorize any provision being made in that contract for the additional expenditure involved in the scheme, but that if after the terms of the contract have been settled, the Madras Government finds itself in a position to meet the charge, the proposal may then be resubmitted for the orders of the Government of India.
