1886.

Sir,

With reference to G.O. No. 2165 W. dated the 27th. August 1886, I have the honor to request that I may be informed whether the sanction of the Government of India communicated therewith may be construed as deciding the general question of the admissibility or otherwise of Presidency Allowance and Presidency House Rent to members of the temporary Establishment of the classes named in the margin serving in

Temporary Engineer.	}	a Presidency
„ Upper Subordinate		town. The only
„ Accounts Establishment.		

members of the temporary Establishment at present serving at Madras are a temporary Upper Subordinate on Rs. 80 per mensem attached to the Presidency Division and a few temporary Accountants 5th. Grade employed in this Office. If as stated by the Government of India, these local allowances are included in salary, then the question of the rate of travelling allowance admissible to them arises viz, whether in the event of Presidency Allowance and House Rent being added to the salary of a temporary Upper Subordinate on Rs. 80 or Accountant on Rs. 80 per mensem,

he is to be considered an Officer of the 2nd. and not of the 3rd. Class for purposes of Civil Travelling Allowance Code, also whether he has to revert to pay proper on transfer from the Presidency town. The effect of the ruling, if strictly applied, will necessitate numerous appeals to Government in the case of the transfer of temporary Establishments affected from the Presidency town or vice versa and as this could hardly have been intended, I beg that definite orders on the subject may be obtained and communicated to this Office.

2. Orders are now requested as to whether, pending reference to the Government of India, pay, plus Presidency Allowance and House Rent may continue to be passed by me as heretofore.

I have the honor to be,

Sir,

Your Most Obedient Servant.

Establishment.

READ—the following letter from G. H. D. WALKER, Esq., Officiating Under Secretary to the Government of India, Public Works Department (General), to the Secretary to the Government of Madras, Public Works Department, dated Fort William, 7th December 1886, No. 1997 G. :—

I am directed to acknowledge the receipt of your endorsement, No. 2491 W., dated 24th September 1886, forwarding, for orders, copy of a letter from the Examiner of Public Works Accounts, Madras, on the subject of the title of temporary employes to presidency allowance and presidency house-rent.

2. In reply, I am directed to state that the order contained in Public Works Department letter, No. 908 G., dated 9th June 1886, to the effect that presidency allowance and presidency house-rent is not admissible to temporary employes, is of general application, and that such allowances are not to be added to the salaries agreed upon at the time of their appointment to the posts for which they are engaged.

3. As regards the question of travelling allowance raised by the Examiner, I am to state that when fixing the salary of temporary employes, the local authorities can take into consideration the travelling allowance they will be entitled to under section 8 of the Civil Travelling Allowance Code. Nor should any difficulty arise in regard to transfers, if it be remembered that a temporary appointment is made for a particular work, and that when such work is finished, and the temporary employe proceeds to another, his rate of pay can be reconsidered if the circumstances are changed.
