PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following paper —

Endorsement of the Public Works Department dated 7th January 1887 No. 25C.

Order 7th January 1887 No. 39 Ins.
Communicated to the Port Officer, Madras.

2. The Government agree with the Superintending Engineer that "it was quite reasonable, owing to the unfortunate omissions in the Completion Report originally sent to Mr. James for signature, that that Officer should have objected to some of the items".

3. It is noted that the roof of the house has now been put in order, and that Mr. James has no further complaint to make.
