From

Chairman
The Secretary,

Ootacamund Municipality,

To

The Honorable Col Shaw Stewart (B.

Secretary to Govt P.W. Department

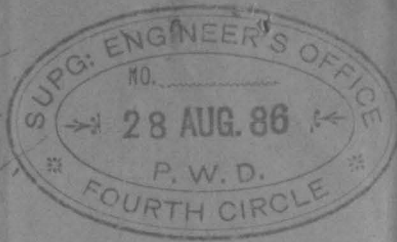

Ootacamund

Sir,

(Through the collector Kilgiris)

I have the honor, on behalf of the Municipal Councillors of Ootacamund, to bring to your favourable notice the great necessity that exists for a raised foot-path along Commercial Road, that is, from Churning Cross to the Market. There is a very large amount of wheeled traffic on this road, especially during three days in the week, and a raised foot-path-like that on Church-hill road

road - would be a very great boon
and convenience to the Public. As the
Government are at present constructing
a road on "Bombay Castle Hill" I would
take the liberty of soliciting that the
work asked for be put in hand at the same
time.

The Municipal Councillors
thankfully acknowledge that the Go-
vernment have done, and are doing, a
great deal for the benefit of this town
and it is with reluctance that they
presume to make the present request,
which they are compelled to do, for want of
funds, themselves. They trust this appli-
cation will meet with your support.

I have the honor to be
Sir

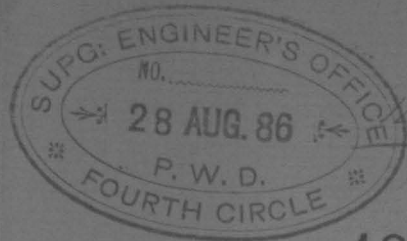

Your most obedient servant

This estimate was

that the question
of sanctioning the

depend on the
amount of the

The amount
seems very moderate.

We have now
