Read—again—

Resolution in the Department of Finance, No. 4028, dated the 4th November 1881.

Resolution—

In rule 2 of the Resolution quoted, it is prescribed that no place shall be used as a strong-room for the storage of coins unless it is first certified to be secure and fit for use as such by an officer of the Public Works Department not under the grade of an Executive Engineer.

It having been brought to notice that inconvenience is involved in some cases by this procedure, the Governor-General in Council is pleased to direct that in future the certificate of an experienced Assistant Engineer may be accepted in cases in which, for any reason, the Local Government considers that the strong-room cannot conveniently be inspected by an Executive Engineer.

Order—

Ordered, that copy be forwarded to the Military and Public Works Departments, the several Local Governments and Administrations, the Comptroller-General, and the several Accountants-General and Comptrollers.

(By order.)
