With reference to G.O. NO. 299 W. dated 24th. January

1888, I have the honor to inform you that the Estimate of Income Tax recoveries for the current official year was given in my letter No. 173 W. dated 5th. February 1887 as Rs. 39,000/ and from recoveries already effected, it appears that the collections to end of official year will amount to about Rs. 37,000/

2. The approximate estimate of the Income Tax recoveries likely to be made from official salaries of officers serving in the P.W. Department Madras including Guaranteed Railways for 1888-89 may be taken as Rs. 40,000/ provision being made for probable receipts for two additional divisions, viz Rushikulya and Periyar.

I have the honor to be,
