Proceedings of Government, Financial Dept.,		" "	7th June	" " 494. Mis.

ORDER—dated 23rd June 1886, No. 1594 W., Public Works.

With the papers read above, the Superintending Engineers and the Consulting Architect submit statements exhibiting demands under Provincial Minor and Incomplete Works, Repairs and Tools and Plant.

2. The demands under Repairs and Tools and Plant, and the allotments sanctioned against them, are shown in statement A. The demands under Communications and Miscellaneous Public Improvements being in excess of the budget provision under those heads, a sum of Rs. 25,080 has been transferred from the budget provision under Civil Buildings, viz., Rs. 13,080, to the grant under Communications, and Rs. 12,000 to that under Miscellaneous Public Improvements. The provision under these heads will now stand as below :—

								RS.
Civil Buildings	...	...	...	...	...	...	...	1,49,700
Communications	...	...	...	...	...	...	...	76,500
Miscellaneous Public Improvements				...	...	...	...	23,500
						Total	...	2,49,700

and the demands under Tools and Plant have been so reduced as to bring the total sum within the budget provision, Rs. 50,670.

3. The budget provision under Repairs amounts to Rs. 2,91,055 and the difference between that sum and the allotment now made is Rs. 41,355, which has been resumed and added to the Provincial reserve.

* G.O. No. 1234-A W., dated 14th May 1886	Rs. 17,000
" " 1429 W., " 7th June "	7,200
" " 1565 W., " 21st " "	3,080
" " 1531 W., " 17th " "	379
Total	27,659

4. The provision in the budget under reserve was Rs. 1,77,174, but subsequent appropriations* have reduced the sum to Rs. 1,49,515. The total sum now available for distribution for incomplete and minor original works will amount to Rs. 1,91,306, as detailed below:—

Reserve balance	Rs. 1,49,515
Transferred from repairs	41,355
Surrender from budget grant (<i>vide</i> remark against item No. 111)	436
Total	1,91,306

5. Under Original Works the demands amount to—

Incomplete minor	Rs. 5,317
Do. major	1,91,928
Do. registration	8,123
Do. police	9,592
Total incomplete works	2,14,960
New minor works	36,841
Do. major do.	1,25,563
Do. registration works	9,917
Do. police works	15,956
Total new works	1,88,271
Lump sum of minor works	38,160
Total demand	4,41,391

but the demands made by the Superintending Engineer, I Circle, include many works for which funds have already been provided in the budget. The total of such demands amounts to Rs. 1,04,705. Provision is also made in the budget for completing "the 12 solitary cells in the Madras penitentiary," for which the Superintending Engineer, V Circle, has included a demand of Rs. 3,887. And the demands of the Superintending Engineer, IV Circle, include provision for "fencing Ootacamund lake with barbed wired," for which funds have already been sanctioned (*vide* G.O., No. 1429 W., dated 7th June 1886). Deducting the amounts referred to above, the actual demands will amount to Rs. 3,25,599.

6. The allotments sanctioned under Original Works are shown below:—

Incomplete minor	Rs. 4,769
Do. major	61,859
Do. registration works	4,551
Do. police works	9,592
Total incomplete works	80,771
New minor works	19,865
Do. major do.	49,656
Do. registration works	5,995
Do. police	75,516
Total new works	32,365
Lump sum allotment for minor works as per statement A	1,88,652
Total allotment	1,88,652

7. The demands made for grants in addition to allotments already provided in the budget have not been complied with for want of funds at present. In such cases application for additional funds, if necessary, should be made later in the year.

8. In the case of new works grants have been provided for those works only the urgency of which has already been brought to the notice of the Government and for which provision of funds was promised to be considered in disposing of the demands on account of incomplete works.

9. Funds have been provided for the completion of all the incomplete works brought forward by Superintending Engineers, excepting in cases in which revised estimates are required.

10. The Superintending Engineer, IV Circle, applies for a sum of Rs. 11,752 for completing "the close cellular prison at Coimbatore." This work should have been included in the Superintending Engineer's budget estimates, and it is with inconvenience that provision has been made for this large demand from the small reserve intended for such of the incomplete works as were expected to be completed in 1885-86, but were not completed owing to unforeseen causes.
