Sir,

With reference to para 1 of your
Memo No. 105 C of 22nd October 1877, I have
the honor to request that you will be
good enough to obtain the necessary sanc-
tion of Government for the supply of
Schourys Estimating Book, and Cham-
bers' Dictionary, as they will be required
here for ready reference.

2 An application has, this day, been
made to the Principal College of Engineering,
Madras, for the "Madras Civil Engineering
College Text Book (in three parts) on

3 The copy of Standard Specification
referred to in para 3 of your Memo under
reply, has since been received.

Sir,

ENCLOSURE.

With reference to G. O. No. 403^{to}
 dated 10th Instant, I have the honor
 to state that, in copying out reports
 & sea, books, at times, commit mis-
 takes not only in spelling but even
 in words, when any technical
 term or difficult or unusual
 words occur. Sometimes from igno-
 -rance or inability to make out
 such words, time is wasted,
 which

which can be saved by a
reference to a dictionary. I
request therefore that, as a spe-
cial case, No. 2 $\frac{1}{2}$ may be sanc-
tioned for purchase of a
dictionary, at least, for use
of the Circle Office.

Sir,

ENCLOSURE.

I have the honor to submit for your
consideration the advisability of each Su-
perintending Engineer's office, as also each
Division office, being supplied with an Eng-
lish dictionary, as the want of one
sometimes puts the office people to much
inconvenience. The Cost of a small use-
ful dictionary is not likely to exceed
Rs 2 or 2½, and this outlay will prove
insignificant when the delay occasioned
or mistakes made in copying out letters
seen is taken into consideration.

2. I think it necessary that each
large

large office should be supplied with
a dictionary at the expense of the
State & I request that sanction to
the same may be obtained.
