READ—the following paper:—

Proceedings of the Government of India in the Public Works Department (General), dated Simla, 30th April 1884, No. 511-G.

The following is forwarded to the Local Governments and Administrations and officers marginally noted for information and for communication to all European Civil Engineers serving under them.

The Governments of Madras, Bombay, Bengal, North-Western Provinces and Oudh, and the Punjab, in the Public Works Department.
The Chief Commissioners, Central Provinces, British Burmah, Assam, and Coorg.
The Resident, Hyderabad.
The Agents to the Governor-General for Central India, Rajputana and Biluchistan.
The Accountant-General, Public Works Department.
The Director-General of Railways.
The Consulting Engineers to the Government of India for Guaranteed Railways, Calcutta, Lahore, and Lucknow.
The Superintendent of Works, Simla Imperial Circle.

(By Order.)

(Signed) A. B. SAMPSON,
Under Secretary.

Resolution—By the Government of India, Department of Finance and Commerce, No. 449, dated 18th April 1884.

Read—

Paragraphs 12 and 18 of a despatch from the Right Honorable the Secretary of State, No. 18, dated 22nd March 1883, regarding the improvement of the pension scale and the proposed institution of a Provident Fund for the Civil Engineers of the Public Works Department.

Resolution—

With the sanction of the Secretary of State, the following improved scale of ordinary pensions for the European Civil Engineers of the superior Engineering Branch of the Public Works Department and those who may be transferred from that branch to any other branch of the department has been adopted:—

No. of years' service.	Sixtieth parts of average emoluments.	Subject to a maximum of	
10	20	1,000	
11	21	1,400	
12	22	1,800	
13	23	2,200	
14	24	2,600	On medical certificate.
15	25		
16	26		
17	27	3,000	
18	28		
19	29		
20 to 24	30	4,000	Without medical certificate.
25 and upwards		5,000	

All officers now in the department will, at the time of retirement, be allowed the option between the above scale and the pensions allowable under present rules.

2. The following special additional pensions are also authorised as rewards of approved service for those officers who serve in the high and responsible positions of Chief and Superintending Engineers :—

	Extra pension over and above that allowable under the scale of paragraph 1.
	RS.
To those who have served three years as Chief Engineers, or who may have been graded as such	2,000 per annum.
To those who may have served three years as Superintending Engineers	1,000 ,,

3. The above rules will apply, without further interpretation, to classes I, II, and III (1) of Schedule B of the Civil Pension Code. How far they may be applied to other European Engineers is a matter regarding which orders must for the present be reserved.

4. The institution of a voluntary Provident Fund for all Civil Engineers of the department on the following basis is sanctioned :—

(1) The contribution to be 5 per cent. on salaries to all subscribing to the fund, with voluntary contributions of a further 5 per cent.

(2) Compound interest at 4 per cent. on such payments to be annually credited by Government to each officer subscribing.

(3) The sum which will thus accumulate to the credit of an officer to be his absolute property to be handed over to him unconditionally on quitting the service, or, in the event of his death before retirement, to his legal representatives.

5. The new rules regarding pension embodied in the first three paragraphs of this Resolution will apply with retrospective effect from the 1st May 1883 to all classes of Civil Engineers to whom they are applicable.

Subscriptions to the Provident Fund may be made, under instructions that will issue hereafter, with effect from the 1st April 1884.

To the Secretary to the Government of Madras, Public Works Department.

ORDER—dated 27th May 1884, No. 1329 W., Public Works.

Communicated to the officers of the Public Works Department concerned, for information and guidance.

MAY.

Civil Engineers

Resolution of the Government of India sanctioning an improved pension scale and the institution of a Provident Fund for all European —, communicated to officers of the Public Works Department concerned.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following paper :—

Proceedings of the Government of India, Public Works Department (General), dated Simla, 15th October 1884, No. 1216-G.

Rules under which the Civil Engineers' Provident Fund is to be conducted.

Read again—

Despatch from the Secretary of State, No. 18, dated 22nd March 1883.

Notification of the Government of India, in the Department of Finance and Commerce, No. 449, dated 18th April 1884.

Resolution—

In accordance with instructions from the Secretary of State, the Governor-General in Council has approved of the institution of a Provident Fund to which all Civil Engineers in the Public Works department are permitted to subscribe. His Lordship does not desire, in the first instance, to make subscription to the fund obligatory either on those now in the department or on those who may hereafter be appointed, but prefers that it shall be established on the basis of encouraging members of the department to save a certain proportion of their salaries by allowing interest on their contributions. The ultimate form which the conditions of subscription will assume will be further considered when it has been ascertained by experience to what extent officers now in the department look upon the institution of such a fund as an advantage.

2. The rules under which the fund will for the present be conducted are annexed to this resolution.

3. As announced in Resolution in the Department of Finance and Commerce, No. 449, dated 18th April 1884, payment may be made to the fund calculated on salaries received since 1st April last ; but interest will only be allowed from the dates of deduction or payment of deposits.

Order—

The Governments of Madras, Bombay, Bengal, the North-Western Provinces and Oudh, and the Punjab.
The Chief Commissioners, Central Provinces, British Burma, Assam and Coorg.
The Resident at Hyderabad.
The Agents to the Governor-General for Central India, Rajputana, and Beluchistan.
The Accountant-General, Public Works Department.
The Inspector-General of Military Works.
The Director-General of Railways.
The Consulting Engineers to the Government of India for Guaranteed Railways, Calcutta, Lahore, and Lucknow.
The Director-General of Telegraphs in India.

Ordered that this resolution be communicated to Local Governments and Administrations and Officers named in the margin for information and guidance.

(Signed) A. B. SAMPSON,
Under Secretary to the Govt. of India.

ENCLOSURE.

CIVIL ENGINEERS' PROVIDENT FUND.

I.—The institution of a Voluntary Provident Fund on the following basis is sanctioned for the officers of the Public Works Department indicated in the margin :—

Character of the Fund.

1. Civil Engineers on the effective list of the Public Works Department.
2. Civil Engineers transferred to the Accounts Branch, or the Superior Railway Revenue Establishment, or to foreign service under Chapter III of the Civil Pension Code.
3. All civil members of the Superior Accounts Establishment who are not Civil Engineers.

(1) The monthly deposit may be not less than 5 per cent. and not more than 10 per cent. on the salary (as defined in the Financial Codes) of each depositor for that month.

(2) The deposits will be voluntary, and may be discontinued and renewed at the option of the depositor.

(3) Compound interest at 4 per cent. on such payments will be annually credited by Government to each officer subscribing.

(4) The sum which will thus accumulate to the credit of an officer to be his absolute property, to be handed over to him unconditionally on quitting the service, or, in the event of his death before retirement, to his legal representatives.

II.—The deposits received under the foregoing resolution will be placed in a Government Savings Bank named "Civil Engineers' Provident Fund." This bank will be managed by and be held in the books of the Accountant-General in the Public Works Department.

Management of the Fund.

III.—Deposits will be received by the various Examiners of Public Works Accounts throughout India. They will be recovered by deduction from the pay bills, or may be made in cash. Deposits cannot be made otherwise than through an Examiner of Public Works Accounts.

Receipt of deposits.

IV.—No withdrawal will ordinarily be allowed from the deposit until the depositor quits the service or dies. But on Local Governments or Administrations being satisfied that the pecuniary circumstances of a depositor are such that the indulgence is absolutely necessary, a deposit may be temporarily withdrawn under orders issued by the respective Local Governments and Administrations—

(i) to pay for the passage of the depositor going on leave out of India on medical certificate, or returning after such absence ;

(ii) to pay for the passage of any member of the depositor's family coming from beyond the sea to join him, or going beyond the sea sick, or from some urgent cause.

V.—Withdrawals under Rule IV will be recovered in 20 equal monthly instalments compulsorily deducted from salary whenever full salary is drawn until the whole is refunded.

VI.—The balances of deceased depositors will be paid according to Rules 58 and 59, Chapter 19, of the Civil Account Code, and Act V of 1873.

VII.—All sums received from depositors will be credited, and all sums withdrawn will be charged under the head "Civil Engineers' Provident Fund."

VIII.—The Examiner will furnish the Accountant-General in the Public Works Department with a monthly statement of the sums he may receive on account of the fund. This statement will contain (1) the dates of receipt ; (2) the numbers of the depositors' accounts ; (3) name and official designation of the depositors ; and (4) amounts of deposits. The total of this statement will agree with the corresponding credit in the Examiner's account as rendered to the Accountant-General. For number of depositors' account, see below Rule X.

Examiner's account of deposit.

IX.—The Examiner will furnish the Accountant-General in the Public Works Department with a monthly statement of withdrawals. This statement will give the following particulars, and the total of it will agree with the corresponding debit in the Examiner's monthly account as rendered to the Accountant-General :—(1) dates of payments ; (2) numbers of depositors' accounts ; (3) names and official designations ; (4) amounts paid ; (5) number and date of the orders of the Local Government or Administration for payment as prescribed in Rule IV. This order will be attached to the statement as voucher for the payments. For number of account, see below Rule XI.

Examiner's account of withdrawals.

X.—The account of each depositor will be posted in a ledger, to be kept by the Accountant-General in the Public Works Department. The ledger will be closed as soon as possible after 31st March of each year.

Depositor's ledger.

XI.—Every account in this ledger will receive a distinct number. The number so given to the depositors' accounts will be consecutive. A depositor's number will not be altered, nor will the numbers of closed accounts be given to new depositors. The Accountant-General will notify to the Examiner concerned the numbers given to a depositor's account immediately after his first deposit, and this number will be quoted against all further deposits, and all withdrawals in the statements prescribed in Rules VIII and IX. In the event of the depositor's transfer, the number will be noted on his last pay certificate in order that the next Examiner may be able to quote it in his deposit statements.

Number of depositors' accounts.

XII.—Interest will be allowed for each calendar month upon the minimum balance of the depositor's account between the close of the fourth day and the end of the month. In calculating interest under this rule, the deposits received by deduction from salary will be considered as paid into the fund on the 1st of the month succeeding that for which the salaries from which the deductions are made are due. The interest will be calculated monthly as provided for in the form of ledger, but will not be added to principal until the end of the official year, except when the account is to be finally closed, in which case the interest will be paid at the same time as the principal. The Accountant-General in the Public Works Department, in communication with the Comptroller-General, will adjust the interest in the accounts of the year for which it is allowed.

Interest.

XIII.—As soon as possible, after the 31st March and 30th September of each year, the Accountant-General, Public Works Department, will send to each depositor a statement of his account in the form annexed. Depositors are required to satisfy themselves as to the correctness of these statements ; and unless errors in them are brought to the notice of the Accountant-General within one month from the date of their receipt, Government will not be responsible for any sums not thus acknowledged.

NOVEMBER.

Civil Engineers' Provident Fund

Resolution of the Government of India circulating rules of the —, communicated to officers of the Public Works Department.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment

READ—the following paper :—

Proceedings of the Government of India, Public Works Department (General), dated Fort William, 4th February 1885, No. 195 G. :—

Civil Engineers' Provident Fund.

Read again—

Public Works Department Resolution, dated 15th October 1884, No. 1216 G.

Read also—

Despatch from the Secretary of State, dated 13th November 1884, No. 71.

Resolution—

Since the publication of the resolution now read again, the Secretary of State has ruled that contributions to the Civil Engineers' Provident Fund may be made compulsory on all Civil Engineers who may hereafter enter the Public Works Department. The Government of India has also authorised certain changes in regard to the accounts of the fund. It has been found necessary therefore to issue a revised set of rules, which is appended to this resolution.

2. The Secretary of State has also ruled that officers now in the department, who wish to join the fund, may pay up arrears, within the authorised limits, from the commencement of service, or for any shorter time, in one sum, interest on which will be allowed from the date of payment.

Order—

Ordered that this Resolution be forwarded to the Local Governments and Administrations and officers noted in the margin, and to the Department of Finance and Commerce, also that it be published in the *Gazette of India* and in all local gazettes.

The Governments of Madras, Bombay, Bengal, the North-Western Provinces and Oudh, and the Punjab, in the Public Works Department.
The Chief Commissioners, Central Provinces, British Burma, Assam and Coorg.
The Resident at Hyderabad.
The Agents to the Governor-General for Central India, Rajputana and Beluchistan.
The Accountant-General, Public Works Department.
The Inspector-General of Military Works.
The Director-General of Railways.
The Consulting Engineers to the Government of India for Guaranteed Railways, Calcutta, Lahore and Lucknow.
The Superintendent of Works, Simla Imperial Circle.

APPENDIX.

CIVIL ENGINEERS' PROVIDENT FUND.

I. The institution of a Provident Fund on the following basis is sanctioned for the officers of the Public Works Department indicated in the margin :—

Character of the Fund.

1. Civil Engineers on the effective list of the Public Works Department.
2. Civil Engineers transferred to the Accounts Branch, or the Superior Railway Revenue Establishment, or to foreign service under chapter III of the Civil Pension Code.
3. All civil members of the Superior Accounts Establishment who are not Civil Engineers.

(1) The monthly deposit may be not less than 5 per cent. and not more than 10 per cent. on the salary (as defined in the Financial Codes) of each depositor for that month.

(2) In the case of officers now in the department, the deposits will be voluntary, and may be discontinued and renewed at the option of the depositor. But officers joining the department hereafter must contribute 5 per cent. of their salary to the fund, and may contribute up to 10 per cent. of salary. Apprentices may contribute to the fund, but will not be compelled to do so.

(3) Compound interest at 4 per cent. on such payments will be annually credited by Government to each officer subscribing.

(4) The sum which will thus accumulate to the credit of an officer to be his absolute property, to be handed over to him unconditionally on quitting the service, or, in the event of his death before retirement, to his legal representatives.

Administration of the Fund.

II. The deposits received under the foregoing resolution will be placed in a Government Savings Bank, named "Civil Engineers' Provident Fund." The administration of the Fund will rest with the Government of India in the Public Works Department.

Receipts of Deposits.

III. Deposits will be received by the various Examiners of Public Works Accounts throughout India. They will be recovered by deduction from the pay bills, or may be made in cash. Deposits cannot, except in the cases provided for in the next rule, be made otherwise than through an Examiner of Public Works Accounts or an Executive Engineer who is in account with an Examiner.

IV. An officer who is not on the books of any Examiner, but receives his allowances either from the Civil Department or from a Local Fund or a Foreign State, may, if he has already been admitted as a depositor, pay his contributions either in cash into the nearest treasury, or, if he is paid by the Civil Department, by deduction from his salary bill. He must, in either case, specify the number of his account. His contributions will be passed on, by the Civil Accountant-General, to the Examiner, Public Works Accounts, of the province, who will exercise the responsibility mentioned in rule VIII.

An officer of this class who has not already been admitted, must apply for admission (and assignment of number) to the Accountant-General, Public Works Department.

For the purposes of this rule, the Examiner for the province is, in the case of Indian treasuries, the Examiner of Military Works Accounts.

Withdrawals.

V. No withdrawal will ordinarily be allowed from the deposit until the depositor quits the service or dies. But on Local Governments or Administrations being satisfied that the pecuniary circumstances of a depositor are such, that the indulgence is absolutely necessary, a deposit may be temporarily withdrawn under orders issued by the respective Local Governments and Administrations—

(i) to pay for the passage of the depositor going on leave out of India on medical certificate, or returning after such absence;

(ii) to pay for the passage of any member of the depositor's family coming from beyond the sea to join him, or going beyond the sea sick, or from some urgent cause.

A withdrawal thus sanctioned will be made after reference to the Comptroller-General to ascertain that it is covered by the amount at credit.

VI. Withdrawals under rule V will be recovered in twenty equal monthly instalments compulsorily deducted from salary in addition to contributions under rule I, whenever full salary is drawn, until the whole is refunded. Such instalments may be paid in advance.

Deceased Depositors.

VII. The balances of deceased depositors will be paid according to rules 58 and 59, chapter 19, of the Civil Account Code, edition 1883, and Act V of 1873.

Responsibility of Examiners.

VIII. For the proper admission of depositors, the correct realisation of the receipts, and the admission and payment of the withdrawals, the Examiners, as audit officers, will be entirely responsible. The functions of the Comptroller-General are purely those of keeping the account of the receipts and withdrawals as reported by the Examiners.

Examiner's Account of Deposit.

IX. All sums received from depositors will be credited, and all sums withdrawn will be charged, by the Examiners under the head "Civil Engineers' Provident Fund."

X. The Examiner will, at the end of each month, forward to the Comptroller-General, Savings Bank Department, a statement of the sums he may receive on account of the Fund. This statement will contain (1) the dates of receipt; (2) the numbers of the depositors' accounts; (3) name and official designation of the depositors; and (4) amounts of deposits. The total of this statement must agree with the corresponding credit in the Examiner's account as rendered to the Accountant-General. For number of depositors' account see below, rule XIII.

Examiner's Account of Withdrawals.

XI. The Examiner will similarly forward a monthly statement of withdrawals. This statement will give the following particulars, and the total of it must agree with the corresponding debit in the Examiner's monthly account as rendered to the Accountant-General:—(1) dates of payments; (2) numbers of depositors' accounts; (3) names and official designations; (4) amounts paid; (5) number and date of the orders of the Local Government or Administration for payment as prescribed in rule V. For number of account see below, rule XIII.

The Accountant-General will, together with his monthly account, send to the Comptroller-General a complete statement, by Examiners, of the total receipts and withdrawals on account of Provident Fund.

Accounts of Fund to be transferred annually to the books of Examiner, Military Works Accounts.

XII. The yearly receipts and charges on account of the Civil Engineers' Provident Fund will be cleared from the books of the various Examiners by transfer to those of the Examiner of Accounts, Military Works, in whose books, consequently, the transactions of the whole Fund will be recorded.

Depositor's Ledger.

XIII. The account of each depositor will be posted in a ledger, to be kept by the Comptroller-General, Savings Bank Branch. The ledger will be closed as soon as possible after 31st March of each year.

Numbers of Depositors' Accounts.

XIV. Every account in this ledger will receive a distinct number. The number so given to the depositors' accounts will be consecutive. When a new depositor is admitted, the Comptroller-General will, on reference, notify to the Examiner concerned the number to be given to his account, and this number will be quoted against all further deposits and all withdrawals in the statements prescribed in rules X and XI. A depositor's number will not be altered, nor will the numbers of closed accounts be given to new depositors. In the event of the depositor's transfer, the number will be noted on his last-pay certificate, in order that the next Examiner may be able to quote it in his deposit statements.

Interest.

XV. Interest will be allowed for each calendar month upon the minimum balance of the depositor's account between the close of the fourth day and the end of the month. In calculating interest under this rule, the deposits received by deduction from salary will be considered as paid into the Fund on the 1st of the month succeeding that for which the salaries from which the deductions are made are due. The interest will be calculated monthly as provided for in the form of ledger, but will not be added to principal until the end of the official year, except when the account is to be finally closed, in which case the interest will be paid, after reference, as prescribed in the next section.

Closing of Account.

XVI. When an account is to be closed, the Examiner who at the time is charged with the receipt of the deposits, will submit to the Comptroller-General a statement of the transactions of the past six months, certifying them to agree with the debits and credits in his accounts (or submitting such certificate of any other Examiner in whose accounts they were included) and will apply for an order for payment of interest and principal up to date. The account will be made up in advance, by the Comptroller-General, and issued in the form A attached, with an order directing the debit.

Addition of Interest.

XVII. The amount of interest to be added to the balance of the Fund will be calculated each year by the Comptroller-General, who will issue a direction to the Accountant-General, Public Works Department, to credit the amount to the Fund by debit to Civil Department in the exchange account between the Comptroller, Indian Treasuries, and the Examiner of Accounts, Military Works. This transaction must include the debits on account of interest paid during the year on closed accounts, which during the currency of the year is debited to the Fund itself.

Yearly Advice to Depositors.

XVIII. As soon as possible after receiving the March accounts of the Accountant-General, Public Works Department, the Comptroller-General will make up each depositor's account, with interest, till March 31st, and will send him, through the Examiner in whose account his last subscription was received, a statement of his account in form A annexed, or in some similar form. Depositors are required to satisfy themselves as to the correctness of these statements; and, unless errors in them are brought to the notice of the Comptroller-General within one month from the date of their receipt, Government will not be responsible for any sums not thus acknowledged.

XIX. Any depositor may, once in the official year but not oftener, receive, on application to the Comptroller-General, a copy of his account for the last official year, and for so many months of the current year as may have been posted and agreed with the accounts of the department.

Resolution

Calcutta, the 12th February 1886.

Read.

Endorsement from the Military Department, № 23 F., dated 12th January 1886, forwarding copy of a Despatch from Her Majesty's Secretary of State for India, № 363, dated 10th December 1885, relative to the payment in England of the Savings Bank balance of Thomas Morris, late of the "E" Battery, 4th Brigade, R.A.

Resolution.— In accordance with the instructions contained in paragraph 3 of the Despatch from Her Majesty's Government, quoted in the preamble, the Hon'ble the President in Council directs that, when a payment on account of a balance in a Civil

Civil Savings Bank has to be made to a depositor who has left India and gone to the United Kingdom, such payment shall be made by money order, and not through the Account Current or any other channel which would lead to direct payments by the India Office.

Order — Ordered, that the Resolution be communicated to the Comptroller and Auditor General, to the Comptroller, India Treasuries, and to all Accountants General and Comptrollers for information and guidance.

Ordered also, that a copy of the Resolution be communicated to the Military Department for information.
