I only write to call to your remembrance the interview I had with you the subject of which was the heavy Calamities I have but recently met with, and which render it a matter of impossibility for me to proceed to Vizagapatam. I now enclose copies of medical certificates which show that my stay in the northern District was prejudicial to my health, & that I was transferred South in consequence. I trust you will kindly consider my case & permit me to remain of course in my late charge. My to remain
