Sir,

With reference to the Government
of Madras Order No 188 of yesterday's date
directing the illumination of the principal
Government Buildings fronting the Beach at
Madras on Jubilee night, I have the honor
to enquire if all the arrangements for
doing so will be made by the Public
Works Department.

I would urge that the Consulting
Architect would carry out the work of
illuminating the Combined Post and
Telegraph Office Building more satis-
factorily than if it is left to the two
Departments to illuminate separately the
portions

To The Chief Supdt of Works
In Division

Sir, In reply to your letter No 5944 of 12 Feb 1887 I have the honor to state that the intention is that each office should make its own arrangements for illumination on the evening of the 16th & I am to express regret that the Corps Architect will not be able to undertake the illumination of the Port & Col Office. I have to suggest that as in the case of this & other offices the order might be given to a contractor who would supply the necessary lights & be under the supervision of responsible officers of the Port & Col Dept.

Yours
