READ—the following paper:—

G.O., dated 12th March 1888, No. 23 R., Ecclesiastical.

Read—the following letter from the Venerable J. F. BROWNE, B.D., Archdeacon of Madras, to the Chief Secretary to Government, dated Madras, 27th February 1888, No. 431:—

I have the honor to forward, for the consideration of Government, a letter from the Church Committee of Christ Church, Cuddapah, requesting me to submit an estimate, amounting to Rs. 3,176, for repairing that church.

2. The report accompanying deals with the decayed condition of the roof, and states that the building is at present unsafe.

3. The church at Cuddapah was in course of erection through many years, Government having voted a grant-in-aid of Rs. 6,000 in February 1868, but it was not till September 1880 that the church was consecrated and handed to Government. The long delay seems to have caused deterioration of the materials even before the building was completed.

Order—dated 12th March 1888, No. 23 R., Ecclesiastical.

Transferred to the Public Works Department for consideration.

2. This sanction has been registered as Provincial, No. 200 W. of 1887-88, and classified as Civil Buildings, Original Works.

NOTE OF REMARKS.

The estimate under
review amounting
to Rs. 3176 provided
for repairing Church

It is explained
that the roof timbers

It is therefore
proposed to dismantle

The roof of the veranda
which is timbered is
also to be dismantled
and reconstructed.

The doors and windows
much cleaning and painting.
A new pane window
and the whole of the
verandahs are decayed
and require to be
renewed.

The floor of the
Church is broken
up and requires
to be relaid.

A stone lintel over
one of the doors is
broken and needs
to be replaced.

Some of the outside

The aggregate saving
that would be effected
by adopting the schedule
value is only Rs 74
as the quantities
are small the estimate
may be accepted.
