No. 1579 No. Superintending Engineer's Office
H. Field Begun 16th December 1887

From
J. Harman Requiré
Superintending Engineer H. Field
To
The Chief Engineer
Public Works Department

Enclosure 1. Sir,

With reference to your memo
No. 3905 C dated the 7th ultimo on my report
of inspection of the District Eastern Division
on the 17th and 18th October 1887, requesting to
be informed if it be considered advisable
to restore the present of the absent Superin-
tendent, I have the honor to inform you
that the Executive Engineer states that the
system of allowing the Cashier to make
payments has been tried experimentally.
The result is on the one hand that payments
are greatly delayed, while on the other hand,
much inconvenience is caused in the
Division Office during the Cashier's ab-
sence in securing money and in making
payments. I am therefore, of opinion that

the Ancient Superintendents in prest should
be restored.

2. With reference to the other point, viz
the extra assistance required in the Gudivada
Sub Division, I have the honor to forward
herewith a statement of proposition for the
temporary establishment required in the
Gudivada, as well as in the Head Quarter
Sub Divisions for 2 months in January and
February 1888. for your approval and
sanction of Government. For their con-
tinued employment during the next offi-
cial year, application will be made
later on. The work in the above sub divi-
sions is so great that I think the extra
assistance now asked for should be given
to ensure the early & punctual despatch of
the Sub Divisional accounts.

I have the honor to be
sir,
your most Obedient Servant

J. Annan
